P.K. Yonge Code of Student Conduct

Section 1 – Expectations and Partnership

P.K. Yonge is committed to ensuring that our school is a safe, secure and orderly environment in which teaching and learning take place each day. A safe, supportive school environment depends on students, staff and parents demonstrating mutual respect. Included in this document is the Bill of Student Rights and Responsibilities that promotes responsible student behavior and an atmosphere of dignity and respect by establishing guidelines to help students as they strive to become productive citizens in a diverse society.

STANDARDS OF BEHAVIOR: ACCOUNTABILITY AND SUPPORT
All members of the school community — students, staff and parents — must know and understand the standards of behavior which all students are expected to live up to and the consequences if these standards are not met. The Code of Student Conduct provides a comprehensive description of unacceptable behavior, including incidents involving drugs or weapons. The Code of Student Conduct applies to all students, including those with disabilities.

The standards set forth in the Code of Student Conduct apply to behavior in school during school hours, before and after school, while on school property, while traveling in vehicles funded by P.K. Yonge, at all school-sponsored events, on or off campus, when such behavior negatively affects the educational process or endangers the health, safety, morals, or welfare of the school community. When misbehavior involves communication, gestures or expressive behavior, the infraction applies to oral, written or electronic communications, including but not limited to texting, e-mailing, and social networking.

School officials are responsible for sharing the information contained in this document with students, staff and parents.

FAMILIES AS PARTNERS
Students, families and school personnel all have a role in making schools safe and must cooperate with one another to achieve this goal. School staff should keep parents/guardians informed of their child’s behavior and enlist families as partners in addressing areas of concern. Outreach to families can include, but is not limited to, a phone call and/or a written communication. As role models, parents/guardians and school staff should exhibit behaviors they would like to see students emulate. To ensure that parents/guardians become active and involved partners in promoting a safe and supportive school environment, parents/guardians must be familiar with the Student Code of Conduct. Educators are responsible for informing families about their child’s behavior and for nurturing the skills students need to succeed in school and in society. Parents/Guardians are encouraged to discuss issues that may affect student behavior and strategies that might be effective in working with the student with their child’s teacher and other school staff. It is important that there be maximum consultation and communication between the school and the home. Conferences attended by a member of the administration, a school counselor, the student’s parent/guardian, and one or more of the student’s teachers are an effective means of encouraging parental/guardian input and should be held with students where appropriate. Parents/Guardians who want to discuss counseling interventions in response to student behavior should contact P.K. Yonge’s School Counseling Office.
PREAMBLE
P.K. Yonge seeks to cultivate a sense of mutual respect among students, parents and staff. We aim to involve students in activities and programs, within and outside the school community, that stress a commitment to civic responsibility and community service. With the cooperation of all members of our school community, students can reach educational excellence while enjoying a rich learning experience. This document serves as a guide for students as they strive to become productive citizens in a diverse society.

Section 3 – Infractions and Possible Disciplinary Responses

School officials must consult the Code of Student Conduct when determining which disciplinary measure to impose. In addition to consulting the Code of Student Conduct, prior to determining the appropriate disciplinary and/or intervention measures, the following must be considered: the student’s age, maturity, and previous disciplinary record (including the nature of the prior misconduct, the number of prior instances of misconduct, and the disciplinary measure imposed for each); the circumstances surrounding the incident leading to the discipline; and the student’s IEP (Individualized Education Plan), BIP (Behavior Intervention Plan) and 504 Accommodation Plan, if applicable.

The enumerated infractions are not all-inclusive. Students who engage in misconduct not listed are subject to appropriate disciplinary measures by the teacher/administration based on violation of the Code Student of Conduct.

LEVELS OF INFRACTIONS

P.K. Yonge holds students accountable for their behavior. Each level of infraction contains a minimum to a maximum range of possible disciplinary responses that may be imposed by a teacher or the school’s administration. Infractions are grouped into four levels, which range from insubordinate behaviors to seriously dangerous or violent behaviors and provide a corresponding range of possible disciplinary responses. Whenever possible and appropriate, interventions should begin with the lowest level of disciplinary response. Clear distinctions are made for levels of behavior for grades K–5 and 6-12 so that the age and general maturity of the student are considered. Some infractions may not apply to students in grades K–3. The Code of Student Conduct provides graduated penalties for students who engage in repeated minor misbehaviors despite the prior imposition of appropriate disciplinary measures. More severe penalties will be imposed on those students who engage in a pattern of persistent misconduct.

The administration is responsible for school discipline and has a reasonable degree of discretion in determining the severity of misconduct and the appropriate consequence. The administration is authorized to take disciplinary action in response to all misbehavior. For any misbehavior, the teacher or administration will listen to the student’s explanation and, when needed, talk to other persons involved and investigate further. The teacher or administration may contact the student’s parents. A number of factors will be considered in determining the level of misbehavior and the resulting consequences.

These factors include, but are not limited to:
- Seriousness of offense
- Planning or impulse
- Age
- Disability, if any
- Reliability of evidence
- Cooperation/remorse
- Disciplinary history, if any

Behaviors and their consequences are divided into four levels. Beginning with Level 4, each level represents progressively more serious misbehavior and consequence.
Level 4
Level 4 offenses are the least serious acts of misconduct which interfere with orderly classroom or school functions or with learning. These offenses may be handled first by the teacher or other professional staff members. The student may also be referred to the administration.
The following actions may be taken in response to Level 4 misconduct:
  • Verbal reprimand
  • Timeout
  • Withdrawal of privileges
  • Parent notification
  • Counseling

Level 3
Level 3 offenses are serious acts of misconduct, which require administrative action. Such offenses include but are not limited to repeated minor misconduct and acts directed against persons or property. These offenses do not seriously endanger the health or safety of the student or others.
The following actions may be taken in response to Level 3 misconduct:
  • Timeout
  • Withdrawal of privileges
  • Parent notification
  • Counseling
  • Restitution
  • Detention
  • Behavior contract
  • In-school suspension/detention
  • Report to law enforcement

Level 2
Level 2 offenses are more serious acts of misconduct, including but not limited to repeated misbehavior of the same type, serious disruptions of school and threats to health, safety, or property. These offenses are reported to the administration and may result in the student’s suspension from school, the school bus, or from extracurricular activities.
The following actions may be taken in response to Level 2 misconduct:
  • Behavior contract
  • Detention
  • In-school suspension/detention
  • Suspension from extracurricular activities
  • Bus suspension
  • Out-of-school suspension
  • Report to law enforcement

Level 1
Level 1 offenses are the most serious acts of misconduct; they must be reported immediately to the administration. If a student commits a Level 1 offense, he/she will be suspended from the regular education program and the administration may recommend dismissal from further attendance at P.K. Yonge. Such acts may also result in criminal penalties.
The following actions may be taken in response to Level 1 misconduct:
  • Out-of-school suspension
  • Recommend dismissal from further attendance at P.K. Yonge
  • Report to law enforcement
SECONDARY CLASSROOM DISCIPLINARY STEPS

Classroom-related violations are to be dealt with by the classroom teacher and the steps of the descriptive process followed. These steps will be followed whenever student behaviors are disruptive to the learning environment.

Teachers are expected to follow these steps sequentially:

1. **Student/Teacher Conference**
2. **Parent Contact** – teacher will phone or email parent over issues that have not been corrected.
3. **Referral to Administration** – the teacher writes a referral, and if the offense justifies immediate removal from class, the student is sent to the Deans’ Office for the administration to be contacted for appropriate disciplinary consequences.
4. **Grade Level Team Consultation/Student Success Team and Parent Conference** – students and parents may meet with team to construct an academic/behavior contract.

**Immediate Removal**
If a student’s behavior is a threat to any teacher, an administrator should be contacted immediately. This step should be taken by a teacher at any point when there is a true emergency, such as fighting.

ELEMENTARY CLASSROOM DISCIPLINE STEPS

**Step One – Classroom Level**
Minor classroom disruptions or student issues are handled daily by teachers. These offenses may include but are not limited to getting out of seat, disrupting others, not following directions, arguing and teasing others. The classroom (cafeteria, playground, gym) management includes verbal corrections, loss of privileges, in-class or out-of-class timeout or classroom meetings.

**Step Two – Out of Room Support Level**
This step is for more serious offenses or repeated minor offenses such as the ones listed in Step One. This level may include but is not limited to cheating, stealing, inappropriate language, minor vandalism, and disrespect toward those in charge. An administrator will be called to the room to remove the student from class, and parents will be called. The School Counselor may also be asked to help at this level.

**Step Three – Administrator/Behavior Plan Level**
This involves more serious offenses, which result in the child being removed from the room immediately. Examples of this level include but are not limited to physically hurting others (biting, kicking, throwing objects) threatening, bullying, harassing, and vandalizing which requires adults to replace or clean after the act. The parent will be called by administration and the student will receive ISS/ISD (in-school suspension/detention) or OSS (out-of-school suspension). The School Counselor will be involved.
Section 4 – Specific Infractions and Responses

Students are expected to behave appropriately at school. Misbehavior that violates the rights of others, disrupts the school, or interferes with learning is not acceptable.

These misbehaviors include, but are not limited to the following, as defined in the glossary:

- Abusive Language

- Cheating
- Classroom Disruptions
- Computer Misuse
- Defiance
- Disorderly Conduct
- Fighting

- Harassment
- Plagiarism
- Public Displays of Affection

Pledge of Allegiance
A student has the right to not participate in the reciting of the Pledge of Allegiance. Upon written request by the parent/guardian, a student may be excused from reciting the pledge, including standing and placing the right hand over the heart. When the pledge is given, unexcused students must show full respect for the flag by standing at attention, men removing headdress, except for when such headdress is worn for religious purposes (s.1003.44, F.S.).

ZERO TOLERANCE OF VIOLENCE IN SCHOOL
INCLUDING PROHIBITION OF VIOLENCE AGAINST SCHOOL PERSONNEL

Violence in school, at school-sponsored activities, or on school buses will not be tolerated.

Violence Against School Personnel
Battery or assault, as defined by Chapter 784, Florida Statutes, against any school employee by a student is a Level 1 violation of this Code. If a student deliberately and knowingly uses force or violence against school personnel, the student will be suspended from school and the Principal will recommend that the student be dismissed from further attendance at P.K. Yonge. Subject to federal and state law, if a student is formally charged with a violation of F.S. 784.081, assault, aggravated assault, battery, or
aggravated battery upon a school employee, the student will be removed from the classroom immediately and placed in an alternative school setting pending disposition of the case. If the student is found by the court to have committed a violation of F.S. 784.081 the student will be dismissed indefinitely from P.K. Yonge. [F.S. 1006.13(5)]

Prohibition of Weapons
Weapons and use of weapons are prohibited on school property, including buses, at school-sponsored activities and in any vehicle brought onto school property or to a school-sponsored activity. Violation of this prohibition is a serious breach of conduct.

1. Firearms/Explosives
   A. Students may not have in their possession (including storage in a school locker or an automobile), sell, distribute, display, transfer or use any firearm or explosive, whether operable or inoperable. If this occurs, the student will be suspended from school for ten (10) days, and the Principal will recommend that the student be dismissed from further attendance to P.K. Yonge.
   B. If a student brings or is in possession of a firearm at school, the student will be dismissed from further attendance at P.K. Yonge indefinitely and referred for criminal prosecution. [F.S. 1006.07]

2. Other Weapons
   A. If a student possesses, sells, distributes, displays or transfers a weapon of any type, other than a firearm or explosive, they will be suspended from school for five (5) to ten (10) days and the Principal may recommend that the student be dismissed from further attendance at P.K. Yonge. Fireworks of any type are included in this category.
   B. If a student brings a weapon, as defined in Chapter 790, F.S. to school, the student may be dismissed from further attendance at P.K. Yonge and referred for criminal prosecution. [F.S. 1006.07]
   C. If a student possesses, sells, distributes, displays, or transfers a pocketknife or blunt-bladed knife (this includes plastic knives, or blunt-bladed table knives), the student will be disciplined, accordingly.
   D. If a student uses a weapon of any type, including but not limited to pointed or sharp instruments such as ice picks, pocketknives or razor blades, the student will be suspended from school for ten (10) days and the Principal will recommend dismissal from further attendance at P.K. Yonge.

3. Non-Weapons Used as Weapons: If a student uses as a weapon any article or substance not normally considered a weapon (like rocks, pens, pencils, plastic knives), the student will be suspended for ten (10) days, and the Principal will recommend dismissal from further attendance at P.K. Yonge.

* For students with disabilities, the mandatory penalties in this policy are subject to the procedures for discipline of students with disabilities.

Alcohol and Drugs
The unlawful use and possession of illegal drugs and alcohol are wrong, harmful, and are violations of this Code. Students may not possess, sell, transfer, distribute or use: any alcoholic beverage, any controlled drugs, hallucinogens, or similar substances on school property, including buses, and at school-sponsored activities, except for medications specifically prescribed by their licensed physician.
1. Violation of this prohibition is a serious breach of conduct. The school will notify law enforcement officials and the student’s parent(s) or guardian(s).

2. If a student **possesses, uses, or is under the influence of** any item listed above, except under the direction of a licensed physician, the student will be suspended from school for a period of ten (10) days for the first offense and the Principal may recommend dismissal from further attendance at P.K. 7. If a student is charged with any drug or alcohol offense, he/she may be granted a reduction in consequence pending satisfactory participation in a counseling program from an outside agency program, (i.e., family counseling, substance abuse awareness, etc.). Failure to complete such program will result in the reinstatement of the original consequence.

If a student has a doctor’s orders to take prescription medicine at school, it is important to first notify the school administration for the proper procedures to follow.

For students with disabilities, the mandatory penalties provided by this policy shall be subject to the procedures for discipline of students with disabilities.

**Tobacco Products**

P.K. Yonge recognizes its responsibility to promote the health, welfare, and safety of students, staff, and others on school property and at school-sponsored activities. In light of scientific evidence that use of tobacco is hazardous to health, and to be consistent with Florida law, it is the intent of P.K. Yonge to establish a tobacco-free environment. Resources for quitting tobacco will be made available to students in the form of free cessation options provided by the Bureau of Tobacco Free Florida.

Yonge.

If a student or a student’s parent/guardian believes discrimination, bullying or harassment, including sexual harassment has occurred, the situation should be immediately reported to the teacher, school counselor, administration, or other school staff.

All threats of violence (oral, written, electronic, or symbolic) will be reported to law enforcement and investigated by school officials.

**Standards for Use of Reasonable Force**
Administrators, teachers, and support staff may use and apply reasonable force and restraint against a student for self-protection, the protection of that student, or for the protection of other students from physically disruptive students.

**Driving/Parking on Campus**
Parking on P.K. Yonge property is a privilege and may be granted or revoked by the Principal or designee. A student is responsible for the care of his/her vehicle. A student must observe all safety rules and remain courteous and considerate of others. Weapons are prohibited in vehicles at school and at all school events at all times. P.K. Yonge is not responsible for motor vehicles that are lost, stolen, or damaged. Students are required to park in designated areas only. Failure to comply will result in loss of parking privileges.

A second infraction will result in a discipline referral. A third infraction will result in lunch detention. Subsequent infractions will result in the loss of driving/parking privileges on P.K. Yonge’s campus.
Section 5 - Procedures

Student Detention, Search, and Seizure
A student may be temporarily detained and questioned about possible violations of P.K. Yonge rules. The Principal or designee may search a student’s locker, vehicle or other storage areas upon reasonable suspicion that a prohibited or illegally possessed substance or object is contained within the area. [F.S. 1006.09(9)] In addition, metal detectors and trained canines may be used to screen for prohibited weapons and substances.

Exclusion from Extracurricular Activities
Extracurricular activities are offered to enhance the overall educational experience. These activities are supplemental to the school curriculum and are privileges, not rights. This includes participation in and/or spectator attendance at any extracurricular activity or event. Students are expected to exhibit appropriate behavior at all times while participating in or attending these activities. All school rules and regulations apply during the extracurricular activities, whether held on or away from campus.

In order to participate in extracurricular activities, a student must maintain satisfactory conduct as determined by the administration and a minimum 2.0 grade point average (s.1006.195, F.S.). The administration may revoke participation in or spectator attendance for one (1) specific extracurricular activity or for all extracurricular activities, for a period not to exceed the remainder of the school year in which the offense took place. If a student is convicted of, or found to have committed, a felony or a delinquent act which would have been a felony if committed by an adult, regardless of whether adjudication is withheld, the student shall not be eligible to participate in interscholastic extracurricular activities for a period of one (1) year from the time of such conviction or finding. If a student fails to pay charges assessed for replacement of lost or damaged materials or equipment loaned to the student, then he/she may be suspended from participation in extracurricular activities.

In-School Detention (ISD)
In-school detention will only be offered at the discretion of the administration for offenses found in Section Three. A student serving ISD is prohibited from participation in/attendance to extracurricular events and school-sponsored activities during the time which ISD is served. If served days of ISD occur on either/both sides of a weekend or school holiday of an extracurricular or school-sponsored event, participation in said event is also prohibited.

Out-of-School Suspension (OSS)
The administration has the right to suspend the student from school for a serious act of misconduct. The procedure below shall be followed for suspension from school:

1. **Notice.** The student will receive oral and written notice of the charges and an explanation of the evidence. In a conference, the student will have an opportunity to respond to the charges and to explain his/her behavior.

2. **Suspension.** If the administration determines that there are sufficient grounds for suspension, then the student will be informed that they are being suspended from school and for the specific length of time. The student will normally be suspended effective at the end of the school day.

3. **Parent/Guardian Contact.** The administration will make a good faith effort immediately to contact the student’s parent(s)/guardian(s) by telephone and will also send written notice to their parent or guardian. The notice will state the length of the suspension and the reasons for it.

4. **Homework.** If suspended, the student will be released to their parents/guardians. The student has the ability to complete homework assignments. Work will be available within 24 hours, when possible, and can be picked up in the ISS/ISD room. Work may also be emailed directly from the teacher.

5. **Appeal.** The student or parent/guardian may appeal a suspension decision through the Student...
Grievance procedure.

6. **Prohibition from School Events.** A student serving OSS is prohibited from participation in/attendance at extracurricular events and school-sponsored activities during the time in which OSS is served. If served days of OSS occur on either/both sides of a weekend or school holiday of an extracurricular or school-sponsored event, participation in said event is also prohibited.

7. **Temporary Suspension.** In an emergency, the administration may temporarily suspend a student prior to a conference when the safety or health of students, staff or other persons in the school may be threatened by his/her continued presence. When temporary suspension is necessary, the administration will inform the student’s parent(s)/guardian(s) by the most rapid means (including telephone). As soon as feasible under the circumstances, the administration will hold a conference with the student and their parents/guardians. Following the conference, the administration may formally suspend the student; however, in no case shall the administration’s temporary and formal suspensions exceed ten (10) days for the same offense. For students with disabilities, the administration will follow the discipline procedures for students with disabilities.

**Student Transfer – Felony Charges**

Florida Statutes provide for suspension and transfer when the student:

- has been formally charged with a felony or with a delinquent act which would be a felony if committed by an adult; and
- the incident for which he/she has been formally charged occurred in a place other than school property; and
- under circumstances in which the student would not already be subject to the rules and regulations of P.K. Yonge; and
- the incident is shown to have an adverse impact on the educational program, discipline or welfare of the school in which the student is enrolled.

The following procedures will be followed [F.S. 1006.09]:

1. **Notice of Hearing.** Upon receiving proper notice from the State Attorney’s office, the Principal will notify the student’s parent/guardian, in writing, of the specific charges against the student. The notice will also include the date of a hearing before the Principal, to be held no more than five (5) school days from date of postmark or delivery.

2. **Decision of Principal.** Following the hearing, the Principal shall provide the student and parent/guardian with a decision, in writing, as to whether or not the transfer for felony charges will be made.

If the student has a disability, the Principal will follow the discipline procedures for students with disabilities.

**Dismissal from Further Attendance at P.K. Yonge Developmental Research School**

A student may be considered for dismissal from attendance at P.K. Yonge if there is a history of repeated incidents of Level 2 and Level 3 behaviors (as defined by the Code of Student Conduct) or if a student has committed a Level 1 offense (as defined by the Code of Student Conduct). Upon consideration of the student’s record, the Principal may recommend dismissal of the student to the Director. A recommendation to the Director for dismissal will be in writing and set forth the specific basis for the dismissal. The student will be suspended from school pending a final decision. A dismissal from further attendance can include the remainder of the current school year/subsequent school year/permanent dismissal.

The following procedure shall be used:

1. **Notice.** The student will receive oral and written notice of the charges and an explanation of the evidence. In a conference, the student will have an opportunity to respond to the charges and to explain the behavior. He/she may give administration the names of witnesses to the incident, so
that they may be questioned.

2. **Suspension/Recommendation.** The student will be informed that he/she is being suspended from school for ten (10) days and that a recommendation for dismissal is being forwarded to the Director.

3. **Parent/Guardian.** The administration will make a good faith effort to contact the parent/guardian by telephone immediately and will also send written notice to the parent/guardian. The notice will state that the student has been suspended for ten (10) school days, that a recommendation for dismissal has been forwarded to the Director, and the reasons for the action taken.

4. **Conference Opportunity.** Upon request, the parent or guardian will be given an opportunity to attend a conference with the Principal to discuss the reasons for suspension and the recommendation for dismissal. This opportunity will be provided within 48 hours of the request (excluding Saturday, Sunday, and school holidays).

5. **Investigation.** The Director will investigate the incident. Alternatives to dismissal shall be considered.

6. **Notice of Charges/Request for Hearing.** If the Director finds a sufficient basis for the dismissal recommendation, a notice of charges will be sent to the parent or guardian. The parent/guardian may, within ten (10) calendar days from receipt of the Director's notice, request a hearing on the charges before the Director. Failure to submit a timely request for a hearing, or failure to appear at a hearing after notice of the date of hearing, shall be deemed a waiver of any hearing on the matter.

7. **Extension of Suspension.** When action on a recommendation for dismissal is pending, the Director may extend the suspension beyond ten (10) school days. The parent or guardian will be informed in writing of any extension.

If the student has a disability, the Principal will follow the discipline procedures for students with disabilities.

**Appeals**

A Student and/or Parent or Guardian may appeal the recommendation or decision of the Principal by filing an appeal with the Director. The appeal must be in writing and received by the Director within ten (10) business days from the date of the Principal’s written recommendation or decision. The Student and/or Parent or Guardian should include in the appeal a request for an informal hearing with the Director in which the Student and/or Parent or Guardian shall have the opportunity to contest the recommendation or decision. The Director’s decision shall be final.
Section 6 - Attendance Policy

The student may also be dealt with as a child-in-need-of services. In addition, the school must report the student to the Department of Highway Safety and Motor Vehicles who then may not issue a driver’s license and shall suspend any previously issued driver’s license or learner’s driver’s license.

8. Pre-Arranged Absence Application
   a. Parents/Guardians planning ahead for a student’s absence from school must apply for pre-arranged absence approval from the Principal. Likewise, parents/guardians may request approval for absence of a student for religious instruction or religious holidays.
   b. Pre-arranged Absence Applications must be submitted to the Front Office 3 days in advance of the absence. Applications turned in late may NOT be approved and may result in unexcused absence(s). Application forms are available in the Front Office and online under the Attendance tab on the website (www.pkyonge.ufl.edu).
Tardies

It is each student’s responsibility to be on time to school and to each class. Tardies will be evaluated as excused or unexcused based on the same criteria as those for absences.

Tardy to school
- Students tardy to school must check in through the Front Office to obtain an Admit Slip.

Tardy to class

Anyone whose name is not on file cannot check out a student without prior written verifiable permission from a parent/guardian. Anyone checking out a student should be prepared to show a picture ID.
5. Students who drive themselves to school will be allowed to check out during the school day only with parent/guardian verification and/or Principal approval of a circumstance meeting the criteria for an excused absence.
6. Students experiencing illness, injury, or other medical problems of a non-emergency nature while in school should request a referral to the Clinic from their teacher for evaluation and/or treatment. The school nurse will initiate parent/guardian contact and check-out if necessary.
7. Students who leave campus without following the proper check-out procedure will be considered as leaving campus without permission and will be subject to disciplinary action.
8. There will be NO check-outs during the last 30 minutes of the school day unless there is a pre-arranged, verified medical appointment or a true emergency.

**Section 8 - Grievance Procedures for Students and Parents/Guardians**

**Student/Parent/Guardian Right**
You have a right to file a complaint if you feel that you have been treated in an unfair way.

**Student/Parent/Guardian Responsibility**
You have a responsibility to learn about and follow the procedures for filing a complaint.
A grievance procedure is used when a student reports any act of discrimination, harassment or bullying or a violation of the procedures in the Code of Student Conduct. Unless otherwise provided, a student grievance may be pursued in order through three levels:

**Level 1: Informal Discussion**
You or your parent/guardian should discuss your complaint with the person responsible for what you or your parent/guardian believes to be unfair treatment under the Code of Student Conduct. A meeting and discussion should occur within five (5) school days after the time of the alleged unfair treatment. No grievance will be processed until after such informal discussions have taken place. If your grievance involves discrimination, harassment, or bullying, you or your parent/guardian may report, orally or in writing, to (1) a teacher, (2) an administrator, or (3) the Director.

**Level 2: Principal**
If the grievance has not been resolved at Level 1, the informal level, you and/or your parent/guardian may submit a completed Student Grievance Form to the Principal within five (5) school days after the Level 1 discussion. The grievance shall (a) name the person(s) affected; (b) state the facts giving rise to the grievance; (c) identify the specific action being grieved; and (d) indicate the specific relief requested. The Principal will have five (5) school days after the receipt of the grievance in which to hold a conference and provide a written response.

**Level 3: Director**
If the grievance has not been resolved at Level 2, you and/or your parent/guardian may, within five (5) school days after receipt of the Principal's decision, submit the Student Grievance Form to the Director, who will review the grievance and will respond in writing to all parties within ten (10) school days after receipt of the grievance form. The decision of the Director shall be final.
Section 9 - Annual Notification of Parent/Student Rights
Family Educational Rights and Privacy Act (FERPA)
Notice for Directory Information

The Family Educational Rights and Privacy Act (FERPA) affords parents/guardians and students over 18 years of age ("eligible students") certain rights with respect to the student’s education records. They are:

1. The right to inspect and review the student’s education records within 30 days of the day P.K. Yonge receives a request for access. Parents/Guardians of eligible students should submit to the Assistant Principal of Academic Advisement and School Counseling a written request that identifies the record(s) they wish to inspect. Arrangements will be made for access and the parent/guardian or eligible student will be notified of the time and place where the records may be inspected.

2. The right to request the amendment of the student’s education records that the parent/guardian or eligible student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. Parents/Guardians or eligible students may ask P.K. Yonge to amend a record that they believe is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA by submitting a request, in writing, to the Principal. The written request must clearly identify the part of the record they want changed, and specify why it is inaccurate, misleading, or a violation of the student’s privacy rights under FERPA. If P.K. Yonge decides not to amend the record as requested by the parent/guardian or eligible student, P.K. Yonge will notify the parent/guardian or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent/guardian or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.
   a. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by P.K. Yonge as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person or company with whom P.K. Yonge has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent/guardian or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
   b. Provisions of Federal law and FERPA require school districts to release certain directory information of 11th and 12th grade high school students to military recruiters without a parent’s/guardian’s prior consent. Directory information includes student names, addresses, and telephone listings. Under these Federal laws, parents/guardians who do not want directory information released without their permission must provide written notification to the school within 30 days of the start of school. The military opt-out form is available in the School Counseling Office and on the school’s web site.
   c. Upon request, P.K. Yonge discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.
d. The following is designated directory information: Student’s name; parent’s/guardian’s
  name; address; telephone listing; student electronic mail address; parent’s/guardian’s

Section 10 - Bullying and Non-Discrimination Policy

It is the policy of P.K. Yonge that all of its students and school employees have an educational setting that is safe, secure, and free from discrimination, harassment and bullying. P.K. Yonge will not tolerate discrimination, bullying or harassment of any type. P.K. Yonge expects students and employees to conduct themselves as appropriate for their levels of development, maturity, and demonstrated capabilities with a proper regard for the rights and welfare of other students and school staff, the educational purpose underlying all school activities, and the care of school facilities and equipment. The school believes that standards for student behavior must be set cooperatively through interaction among the students, parents/guardians, staff, and community members producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school and community property on the part of the students, staff, and community members.

As students learn by example, school administrators, faculty, staff, and volunteers will demonstrate appropriate behavior, treat others with civility and respect, and refuse to tolerate discrimination. Bullying, harassment, and discrimination of any student or school employee is prohibited:

- during any education program or activity conducted,
- during any school-related or school-sponsored program or activity,
- in a school vehicle, or
- through the use of data or computer software that is accessed through a computer, computer system, or computer network.

Conduct that constitutes bullying or harassment, as defined herein is prohibited.

Bullying includes cyberbullying and means systematically and chronically inflicting physical hurt or psychological distress on one or more students or employees. It is further defined as unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonably interfere with the individual’s school performance or participation; and may involve but is not limited to:

- teasing
- threat
- intimidation
- stalking
- cyberstalking
- physical violence
- theft
- sexual, religious, or racial harassment
- public or private humiliation
- destruction of property; and
- social-exclusion

Cyberbullying means bullying through the use of technology or any electronic communication, which includes, but is not limited to, any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including, but not limited to, electronic mail, Internet communication, instant messages, or facsimile communications. Cyberbullying includes the creation of a webpage or weblog in which the creator assumes the identity of another person, or the knowing impersonation of another person as the author of posted content or messages, if the creation or impersonation creates any of the conditions enumerated in the definition of bullying. Cyberbullying also includes the distribution
by electronic means of communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons, if the distribution or posting creates any of the conditions enumerated in the definition of bullying.

**Cyberstalking** as defined in s. 784.048(1)(d), F.S., means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose.

**Bullying** may be limited to a single incident. However, in most cases, bullying is characterized by repeated harmful actions on the part of the bully(ies).

**Ways to report a bully:**

- Verbally to a teacher, school counselor, school resource officer, or administrator at school
- On a bullying report form located at the various Bully Boxes around campus
- Via email to a teacher, school counselor, school resource officer, or administrator
- Via telephone call to a teacher, school counselor, school resource officer, or administrator

If you are a victim of **bullying:**

- Clearly tell the bully(ies) to stop.
- Don’t ignore the incident. Immediately report the incident to someone at school or seek peer mediation at school. Tell your parent(s)/guardian(s).
- If the bullying continues after you have clearly told the bully(ies) to stop, make a written record of the incident including date, time, witness or witnesses, and parties involved in the incident.
- Report the incident immediately to an adult who has authority over the bully(ies); for example: teacher, school counselor, school resource officer, or administrator.
- Avoid being alone with the person(s) who has attempted to bully you in the past.

To minimize the risk of being accused of **bullying:**

**DO:**

- Keep your hands to yourself.
- Remember that NO one has a right to harm another person in any way.
- Think before you speak.
- Immediately apologize if you accidently say or do something that has made another person feel stressed, scared, or intimidated.
- Report all incidents of bullying behavior you have witnessed to appropriate school personnel.

**DON’T:**

- Touch anyone without his or her permission and especially in an inappropriate way.
- Keep interacting with a person after he or she has perceived your behavior toward him or her as being inappropriate and has clearly told you to stop.
- Make remarks that may cause another person to feel stressed, scared, or intimidated.

An individual has the legal right to report an incident(s) of bullying without fear of reprisal or retaliation at any time.

**Retaliation** is action taken by an accused individual or an action taken by a third party against a
person because that person has opposed any practices forbidden under this policy or because that person has filed a complaint, assisted, or participated in any manner in an investigation or proceeding under this policy. This includes action taken against a bystander who intervened to stop or attempt to stop discrimination, harassment, bullying or sexual misconduct. Retaliation of any kind is prohibited.

**Bystander intervention** means safe and positive options that may be carried out by an individual or individuals to prevent harm or to intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking.

**Preponderance of the evidence** is the evidence standard used during the Title IX investigation process. If the facts establish a preponderance of the evidence, this means that it is more likely than not that sexual violence/misconduct occurred. In order to be found responsible for violation of this policy as it relates to sexual harassment, sexual assault, dating violence, domestic violence or stalking, the greater weight of the evidence must support a finding of responsibility.

Consequences and appropriate remedial action for a student found to have wrongfully and intentionally accused another of discrimination as a means of bullying, retaliation, or harassment range from positive behavioral interventions up to and including suspension or dismissal as outlined in the Code of Student Conduct. Consequences and appropriate remedial action for a school employee found to have wrongfully and intentionally accused another of discrimination as a means of bullying, retaliation, or harassment may be disciplined in accordance with school policies, procedures, and agreements. Consequences and appropriate remedial action for a visitor or volunteer, found to have wrongfully and intentionally accused another of discrimination as a means of bullying, retaliation or harassment shall be determined by the school administrator after consideration of the nature and circumstances of the act, including reports to appropriate law enforcement officials.

**Harassment** means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal, or physical conduct directed against a student or school employee that:

- places a student or school employee in reasonable fear of harm to his or her person or damage to his or her property; or
- has the effect of substantially interfering with a student’s education performance, opportunities, or benefits; substantially disrupting the orderly operation of the school, or
- any course of conduct directed at a specific person that causes substantial emotional distress in such person and serves no legitimate purpose.

Harassment is specifically prohibited by state and federal law, and instances of harassment may result in both civil and criminal liability on the part of the individual harasser, as well as P.K. Yonge. P.K. Yonge will not tolerate harassment by any of its students or employees. Persons who engage in such conduct will be subject to a range of disciplinary action.

**Sexual Harassment** is harassment of a sexual nature that consists of unwelcome sexual advances, requests for sexual favors and other inappropriate oral, written, or physical contact of a sexual nature. When viewed from an objective standard, such conduct:

- substantially interferes with a student’s academic performance, or
- creates an intimidating, hostile or offensive school environment.

It includes, but is not limited to, verbal harassment or abuse, pressure for sex, repeated remarks to a person with sexual or demeaning implications, unwelcome or inappropriate touching, or suggesting or demanding sexual involvement accompanied by implied or explicit threats.
School counselors serve as confidential reporters of sexual harassment. These employees will not trigger a school investigation into an incident against the victim’s wishes. All other P.K. Yonge employees serve as responsible employees. These employees are required to report all details of an incident (including the identities of both the alleged victim and alleged perpetrator) to the Title IX Coordinator, Principal, or Principal’s designee. A report to these employees constitutes a report to P.K. Yonge and generally obligates the school to investigate the incident and take appropriate steps to address the situation.

1. If the victim discloses an incident to a responsible employee but wishes to maintain confidentiality or requests that no investigation into a particular incident be conducted or disciplinary action taken, the school will try to honor the request as much as possible. If the victim requests confidentiality, the school must weigh that request against the school’s obligation to provide a safe, non-discriminatory environment for all students and employees, including the victim.

2. Victims have the option to report to a confidential or responsible employee, campus police or local law enforcement, and to receive assistance from school authorities in notifying law enforcement, filing a criminal report and/or a Title IX complaint simultaneously; and the autonomy to notify other individuals of their choice.

Amnesty: P.K. Yonge encourages students to report instances of sex-based discrimination, sexual harassment, and sexual misconduct involving students or employees. Students who report information about sex-based discrimination, sexual harassment, or sexual misconduct involving students or employees will not be disciplined by the school for any violation of the school’s drug or alcohol possession or consumption policies in which they might have engaged in connection with the reported incident.

Those being harassed should take the following steps:

- Clearly tell the harasser to stop.
- If the harassment continues, make a written record of the incident including date, time, witness or witnesses, and parties involved in the incident.
- Report the incident immediately to an adult who has authority over the harasser. For example: teacher, school counselor, school resource officer, or administrator.
- Report the incident immediately to parent(s)/guardian(s).

To minimize the risk of being accused of harassment:

DO:

- Keep your hands to yourself.
- Think before you speak.
- Avoid/minimize contact with harasser.

DON’T:

- Touch anyone in an inappropriate way
- Keep asking a person to go out with you after they have said “No”
- Be in a room alone with a person with the door closed
- Make remarks that have sexual overtones or implications

If you have been harassed:

DO:

- Tell your problem to an adult who can help you figure out what to do to resolve the situation.
• Avoid being alone with the person who has harassed you.

DON'T:
• Think that if you just ignore the problem, it will go away

**Discrimination, bullying, and harassment** also encompass:

1. Retaliation against a student or school employee by another student or school employee for asserting or alleging an act of bullying or harassment. Reporting an act of bullying or harassment that is not made in good faith is considered retaliation.

2. Perpetuation of conduct listed in this policy by an individual or group with intent to demean, dehumanize, embarrass or cause emotional or physical harm to a student or school employee by:
   a. Incitement or coercion
   b. Accessing or knowingly and willingly causing or providing access to data or computer software through a computer, computer system, or computer network within the scope of the school system.
   c. Acting in a manner that has an effect substantially similar to the effect of bullying or harassment.

Any written or oral reporting of an act of **bullying, harassment** or other **discrimination** shall be considered an official means of reporting such act(s). Reports may be made anonymously, but formal disciplinary action may not be based solely on the basis of an anonymous report. This confidentiality request may limit the school’s ability to investigate or take disciplinary actions. P.K. Yonge must weigh the confidentiality request against the school’s obligation to provide a safe, non-discriminatory environment for all students and employees, including the victim. Interim protective actions may be considered and reviewed as needed to protect the victim. Reasonable accommodations may be made as needed.

**Reporting of bullying, harassment, or discrimination:**
The Deputy Title IX Coordinator for the K-12 System (P.K. Yonge DRS), Principal, or Principal’s designee is responsible for receiving complaints alleging violations of this policy. All school employees (with the exception of confidential employees as outlined below) are required to report alleged violations of this policy to the Deputy Title IX Coordinator for the K-12 System (P.K. Yonge DRS) Principal, or Principal’s designee. All other members of the school community, including students, parents/guardians, volunteers, and visitors are encouraged to report any act that may be a violation of this policy anonymously or in-person to the Deputy Title IX Coordinator for the K-12 System (P.K. Yonge DRS), Principal, or Principal’s designee.

**The procedures for investigating acts of bullying, harassment, and discrimination include:**
- The Deputy Title IX Coordinator for the K-12 System (P.K. Yonge DRS) selects a designee(s), employed by the school or university, trained in investigative procedures to initiate the investigation. The designee(s) may not be the accused perpetrator or victim. Parents/legal guardians will be notified as soon as possible after the investigation of the incident has been initiated. The date, time, and method of contacted will be documented.
- Interviews of the victim(s), alleged perpetrator(s), and witness(es) will be conducted privately, separately, and confidentially. Each individual will be interviewed separately and at no time will the alleged perpetrator and victim be interviewed together. These interviews will be documented.
• The investigator shall collect and evaluate the facts, including but not limited to:
  ▪ Description of the incident(s) including nature of the behavior; context in which the alleged incident(s) occurred, etc.;
  ▪ How often the conduct occurred;
  ▪ Whether there were past incidents or past continuing patterns of behavior;
  ▪ The relationship between the parties involved;
  ▪ The characteristics of the parties involved (i.e. grade, age, etc.);
  ▪ The identity and number of individuals who participated in bullying, harassing, or discriminating behavior;
  ▪ Where the alleged behavior(s) occurred;
  ▪ Whether the conduct adversely affected the student’s education or educational environment;
  ▪ Whether the alleged victim felt or perceived an imbalance of power as a result of the reported incident;
  ▪ The date, time, and method in which the parent(s)/guardian(s) of all parties involved were contacted.
• Whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances and includes:
  ▪ Recommended remedial steps necessary to stop the behavior; and
  ▪ A written final report to the Principal or designee
• The maximum of 10 school days shall be the limit for the initial filing of the incidents and completion of the investigative procedural steps. The highest level of confidentiality possible will be upheld regarding the submission of a complaint or a report of bullying and/or harassment, and the investigative procedures that follow.
• The preponderance of the evidence standard is used as the burden of proof in these investigations.
• Students (for student-on-student allegations) may contact the Deputy Title IX Coordinator for the K-12 System (P.K. Yonge DRS) or the Title IX Coordinator for U.F. Employees and Faculty to seek assistance in informally resolving the complaint or in filing a formal complaint or grievance.
• P.K. Yonge will provide simultaneous written notice of the final outcome to both the complainant and respondent.

If the reported act is not within the scope of P.K. Yonge authority, the process for referral of such an act to the appropriate jurisdiction is as follows:
• The Title IX Coordinator for U.F. Employees and Faculty will assign a designee(s) that is trained in investigative procedures to initiate an investigation of whether the reported act is within the scope of the school.
• The trained designee(s) will provide a report on all results of the investigation with recommendations for the Principal or designee to make a determination if the act falls within the scope of the school. These procedures may not be followed in the event the victim does not want to pursue a Title IX investigation.
• If it is outside of the scope of the school and is determined to be a criminal act, the incident will be referred to the appropriate law enforcement agency.
• If it is outside the scope of the school and determined to not be a criminal act, parent(s)/guardian(s) of all students will be informed.

The procedure for immediate notification of the parent(s)/guardian(s) of a victim of discrimination and the parent(s)/guardian(s) of the perpetrator of an act of discrimination including notification to all local agencies where criminal charged may be pursued against the perpetrator is as follows:
• Once an initial statement is taken regarding an incident of discrimination (by student, parent/guardian, or school personnel), the Principal or designee will immediately refer the victim to the appropriate grade level school counselor and Student and Family Services Team. Counseling and intervention will be provided if deemed necessary.

• The Deputy Title IX Coordinator for the K-12 System (P.K. Yonge DRS) or designee shall promptly report via telephone, personal conference, and/or in writing, the occurrence of any incident of discrimination as defined by this policy to the parent(s)/guardian(s) of all students involved on the same day an investigation of the incident(s) has been initiated. Notification will be consistent with the student privacy rights under the applicable provisions of the Family Educational Rights and Privacy Act of 1974 (FERPA).

• If the discriminatory incident results in the perpetrator being charged with a crime, the Principal or designee shall, by telephone or in writing by first class mail, inform the parent(s)/guardian(s) of the victim(s) involved in the incident about the Unsafe School Choice Option (NCLB, Title IX, Part E, Subpart 2, Section 9532) that states “…a student who becomes a victim of a violent criminal offense, as determined by State law, while in or on the grounds of a public elementary or secondary school that the student attends, be allowed to attend a safe public elementary or secondary school within the local educational agency, including a charter school.”

Students, parents/guardians, teachers, school administrators, school counselors, staff, and volunteers shall be given instruction annually on P.K. Yonge policies and regulations against discrimination. The instruction will include evidence-based methods of recognizing, reporting and prevention of discrimination, and ways to effectively identify and respond to discrimination in schools.

As per s.1006.07(2), F.S., the school’s safety and violence prevention policy will be included in the Student Code of Conduct and P.K. Yonge employee and coaches handbooks.

Section 12 - Acceptable Use Policy

Technology is a focus for P.K. Yonge and, as a result, policies have been developed to ensure that our students are competent users of technology and behave as model digital citizens in technology-mediated environments.

Technology, as referenced in this policy includes, but is not limited to, computers, handheld devices, cameras, calculators, technical equipment (e.g, probeware for science), cell phones, telephones, software, the Internet, websites, email, and other online communication tools,

Digital Citizenship at P.K. Yonge

Digital citizenship is a set of accepted behavioral expectations of standards describing the use of technology and the online environment. Members of the P.K. Yonge community and users of our network and equipment are expected to act in a responsible, ethical, and legal manner in all the areas identified below.

1. **Etiquette: electronic standards of conduct or procedure**
   All members of the P.K. Yonge community will be polite and respectful in digital communications with other members of the P.K. Yonge community and the community at large.

2. **Communication: electronic exchange of information**
   Digital communications will be governed by the same rules of courtesy, conduct, and ethics as face-to-face communications.

3. **Education: teaching and learning about technology and the use of technology**
   All members of the P.K. Yonge community will commit to being both teachers and learners in relation to technology and its use for education and information management.

4. **Access: full electronic participation**
   P.K. Yonge commits to providing the highest level of reasonable access to all members of the student body. Access refers to infrastructure supporting digital communications, networks, and equipment.

5. **Commerce: electronic buying and selling of goods**
   Student members of the P.K. Yonge community will not engage in commercial activities while at school or at a school-sponsored function, while using school equipment, or while accessing the school network. Faculty and staff will engage in commercial activities online only as required and sanctioned by the administration.

6. **Responsibility: electronic responsibility for actions and deeds**
   All members of the P.K. Yonge community will be responsible for their own digital communications, activities, and behavior. For example, the owner of an email account will be held accountable for all communications originating from his or her account. The expectation is that users will not share their passwords with any other person. Students may not use wireless communication devices while operating a motor vehicle on school property. Prohibited uses include but are not limited to texting, emailing (sending or reading messages), or instant messaging. Students may not knowingly distribute any material that is obscene and harmful to others, in accordance with F.S. 847.012, in any medium or format, including but not limited to distribution through email or other means, sent or caused to be sent to or through the school’s network.

7. **Rights: Freedoms extended to everyone in a digital world**
All members of the P.K. Yonge digital community will have the same rights as those exercised in the face-to-face environment. In addition, members of the community have the right to use equipment and access digital content as deemed appropriate under the guidelines of the Children’s Internet Protection Act (CIPA).

8. **Safety: Physical well-being in a digital technology world**
The digital safety of all members of the P.K. Yonge community is of utmost importance. Consequently, P.K. Yonge implements policies and safeguards to protect all members of the community. These safeguards and policies limit student access to content considered unsafe by CIPA both through supervision and online tools. While in most cases student use of equipment and the Internet is carried out under faculty and staff supervision, an Internet filter and student device monitoring software is used in compliance with CIPA and limits student access to social networks, malicious websites, and R-rated content where student safety may be compromised.

9. **Security (self-protection): electronic precautions to guarantee safety**
In addition to safety measures implemented by P.K. Yonge, members of the community will take responsibility for their own digital security by exercising caution in all online activities and reporting any questionable incidents to the administration. Exercising caution may include but not be limited to: not sharing personal information on the Internet, not transmitting sensitive information such as social security numbers via the internet, and not sharing physical location information with unknown parties online.

**Student Responsibilities**

All students in grades 6-12 will be issued a school-owned device to support our blended learning environment. This device is the only approved device for all instructional activities.

In using any technology at school, you will:
1. Access the Internet only through P.K. Yonge’s approved network (pky) while on the school campus
2. Use only the username and password assigned to you.
3. Bring your school-assigned device to school each day.
4. Completely charge your school-issued device prior to bringing it to school.

F. Use personal WCDs to capture/record/store/send or transmit the spoken word or visual image of any person, including other students or staff members without express prior notice and explicit, written consent
G. Access email, data, or accounts belonging to school employees or other students
H. Attempt to send or send messages of any kind using a false or anonymous identity or use the accounts of others to send messages
I. Use P.K. Yonge technology or personal WCDs at school to make unauthorized purchases of products or services

In the case of damage to equipment, the member of the P.K. Yonge community responsible for the abuse will be required to reimburse for the replacement of the damaged item. Equipment replacements costs are dependent on the cost of the item to be replaced.
Section 13 - 1:1 Chromebook Device Policy

P.K. Yonge Developmental Research School, in an effort to ensure students are equipped with the tools, skills, and knowledge necessary to maximize this potential, has initiated a one-to-one program which allocates one Chromebook to every student in specific grade levels of students. The use of the Chromebook as a technology resource is required. Students in grades 4-5 will use their devices on campus. Students in grades 6-12 will be expected to bring their devices home for extended learning opportunities. The Chromebook is school property and all users will follow P.K. Yonge’s Chromebook Device Policy and Acceptable Use Policy.

1. GENERAL INFORMATION
   1.1 Receiving Your Chromebook
   - Chromebooks may be distributed each year during the informational and orientation meetings for students and families held prior to the first day of school.
   - Chromebooks may also be distributed through classes during the first few weeks of school.
   - Students and Parents/Guardians must sign and return the Chromebook Device Agreement/Web Apps Consent and the Acceptable Use Policy Agreement before the Chromebook will be issued to their student.

1.2 Chromebook Check-In
   - Chromebooks, power adapter/AC cable, and case will be returned during the last week of the school year. Students who withdraw or are dismissed from P.K. Yonge Developmental Research School for any reason must return their individual school Chromebook, power adapter/AC cable, case and any other peripheral devices or instructional technology tools provided prior to the date of termination.
   - If a student fails to return his or her Chromebook, power adapter/AC cable, case, and any other peripheral devices or instructional technology tools provided at the end of the school year or upon termination of enrollment in P.K. Yonge DRS, then the student will be required to pay for the replacement of the unreturned equipment and may be subject to criminal prosecution. Failure to return the Chromebook, power adapter/AC cable, case, and any other peripheral devices or instructional technology tools provided will result in a theft report being filed with the University Police Department.
   - The student will be responsible for any damages to the Chromebook, power adapter/AC cable, case, or any other equipment and must return the device and accessories to P.K. Yonge DRS. The student will be charged a fee for any needed repairs, not to exceed the replacement cost of the Chromebook.

2. TAKING CARE OF YOUR CHROMEBOOK
Students are responsible for the general care of the Chromebook that they have been issued by the school. Chromebooks that are broken or fail to work properly must be taken to the P.K. Yonge DRS IT Team in Building Q Room 501 (Q501) for evaluation of the equipment from 7:30 a.m. - 4:00 p.m.

2.1 General Precautions
• Only use a clean, soft cloth to clean the screen. Do not use cleansers of any type.
• Cords, cables, USB adapters, and USB memory sticks must be inserted carefully into the ports of the Chromebook to prevent damage.
• Chromebooks must remain free of any writing, drawing, stickers, or labels that are not the property of P.K. Yonge DRS.
• Chromebooks must never be left in an unlocked locker, unlocked car, in the lunchroom, on the school bus on trips, on the benches, or any other unsupervised area. Loss or theft as a result of leaving the Chromebook unsupervised will result in fees assessment for complete replacement of the device.
• Chromebooks are very sensitive to extreme heat and extreme cold; therefore leaving devices in cars, direct sunlight, etc. that may expose them to these conditions is potentially harmful to the device and should be avoided.
• Do not place the Chromebook in a backpack/bag with books, binders, or other items that can potentially damage the device.

2.2 Carrying Chromebooks
A protective case/sleeve provides Chromebooks sufficient padding to protect the Chromebook from normal wear and tear and will provide a suitable means for carrying the device. P.K. Yonge DRS will supply a protective case/sleeve for the Chromebook. It is the student’s responsibility to keep the Chromebook in its protective sleeve/case.

The guidelines below should be followed:
• Chromebooks should always be within the protective sleeve/case when carried.
• Backpacks and some carrying cases can hold other objects (such as folders and workbooks), but these must be kept to a minimum to avoid placing too much pressure and weight on the Chromebook screen.
• Chromebooks must remain in a protective sleeve/case or backpack when not in use to prevent unintended damage. Students can utilize a ‘home-supplied’ case if their parent/guardian believes the case offers better protection.

2.3 Screen Care
The Chromebook screens can be damaged if subjected to constant pressure and/or rough treatment.
• Do not lean on the top of the Chromebook when it is closed.
• Do not place hands or other objects inside of the Chromebook when closing the lid or preparing for storage/carrying.
• Do not place anything near the Chromebook that could put pressure on the screen.
• Do not place anything in the carrying case that will press against the cover. This includes papers, pencils, and earbuds.
• Do not “bump” the Chromebook against lockers, walls, car doors, floors, etc. as it may cause damage to the device.

3. USING YOUR CHROMEBOOK AT SCHOOL
Chromebooks are intended for instructional use at school each day. In addition to teacher expectations for Chromebook use, school messages, announcements, calendars, and schedules may be accessed
using the Chromebook. **Students are responsible for bringing their Chromebook to all classes, unless specifically instructed not to do so by their teacher.**

3.1 Chromebooks Left at Home
- If students leave their Chromebook at home, they are responsible for getting the course work completed as if they had their Chromebook present.
- **Loaner Devices are NOT provided if a student leaves his or her equipment at home.**

3.2 Chromebook Undergoing Repair
- Loaner Chromebooks may be issued to students when they leave their Chromebooks for repair with the IT Team
- Loaner Chromebooks will only be issued for a maximum period of 45 days. During this time, the student/parent/guardian should make arrangements with the Business Office for payment of fees (if deemed a non-warranty repair).

3.3 Charging Your Chromebook Battery
- Chromebooks must be brought to school each day in a fully-charged condition.
- In cases where use of the Chromebook has caused the battery to become discharged during the school day, students may be able to connect their Chromebooks to a power outlet in class.

3.4 Photo Library/Screensavers/Background photos
- Inappropriate media should not be on the device.
- Presence of guns, weapons, pornographic materials, inappropriate language, alcohol, drug, gang related symbols or pictures, or any other photo deemed inappropriate will result in disciplinary actions and may also result in a loss of Chromebook privileges.
- Only photos/videos that are for an educational purpose should be saved to Google Drive. All other photos/videos should not be taken or stored. All Google Drive storage can be accessed by administration. There is no expectation of privacy on a school-owned device and in cloud storage.

3.5 Sound, Music, Games, or Programs
- Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes.
- Data storage in the cloud is limited and should be managed by the students so that the full educational potential of the Chromebook is available.

3.6 Printing
- At school: Printing functionality will be available on a limited basis at school and subject to classroom requirements.
- At home: The Chromebook will not support a physical printer connection. Instead, students may print to their home printers using the Google Cloud Print service. A wireless home network is required for this. [http://google.com/cloudprint](http://google.com/cloudprint)

3.7 Home Internet Access
- Students are permitted to set up access to home wireless networks on their Chromebooks. This will assist students with the ability to complete, retrieve, and access educational content used in classes with the Chromebook successfully.
- Students may set up home printing capabilities for their Chromebook. This will require a wireless printer and proper settings on the Chromebook using Google Cloud Print.
- If parents/guardians are interested in providing additional content filtering at home, it is suggested that parents/guardians contact their Internet provider for details and support.
• If your student(s) requires additional support for internet connectivity, please contact the IT Team at 352-392-1554 ext. 245.

4. MANAGING YOUR FILES AND SAVING YOUR WORK

4.1 Saving to the Chromebook
• Students may save work to their Google Drive accounts via the Chromebook or an external USB storage device.
• Storage space will be NOT be available on the Chromebook
• It is the student's responsibility to ensure that their work is stored and, therefore, not lost due to mechanical failure or accidental deletion.
• Chromebook malfunctions are unacceptable excuses for failure to submit work.

4.2 Network Connectivity
• P.K. Yonge Developmental Research School makes no guarantee that access to the school network will be available 100% of the time. In the rare case that the network is down, P.K. Yonge DRS will not be responsible for lost or missing data.
• Students will not be penalized if the network is down and a completed assignment cannot be accessed for class projects, presentations, etc. as this type of network outage will affect all students and staff in the school building.

INSPECTION OF CHROMEBOOKS

4.3 Inspection
• Students may be selected at random to provide their Chromebook for inspection. Reasons for Chromebook inspection may include but are not limited to the following: functionality, maintenance, serviceability, and various violations of student acceptable responsibilities when using the Chromebook. Any attempt to "jailbreak" the Chromebook or change the configuration will result in an immediate disciplinary action. This includes, but is not limited to, music, games, videos, images, e-Books, and apps. Immediate removal of material (or full reset of the device), contact with parents/guardians, and disciplinary action will take place.

4.4 Procedure for Reinstalling Original Settings
• If technical difficulties occur, the Chromebook may be restored from backup. The school does not accept responsibility for the loss of any documents deleted due to a need to reformat and/or re-image any device.
• Students are highly encouraged to create a backup of all Chromebook documents and work as identified in section 4.1 above.

4.5 Software Upgrades
• Upgrade versions of licensed software/apps will become available on a recurring basis. Students are encouraged to periodically update their Chromebook, if prompted. Chromebooks run Chrome OS (Operating Software) Web browser. OS updates are conducted automatically by the IT Administrator.

5. ADDITIONAL RESPONSIBILITIES AND EXPECTATIONS

5.1 Parent/Guardian Responsibilities
• Talk to your children about values and the standards that your children should follow on the use of the Internet just as you do on the use of all media information sources such as streaming movies/music, television, cell phones/telephones.
• Remind your student that their Chromebook’s main purpose is to support their education.
• Become increasingly active participants by asking your child/children to show you what sites they are navigating to and/or what apps are being used and how they work. If you have specific questions about the technology tools being used on your child’s Chromebook, please contact the IT Team at 352-392-1554 ext. 245.
• The following resources can assist in promoting positive conversation(s) between you and your children regarding digital citizenship as it relates to Internet safety, conduct, and Netiquette.

• Give credit to all sources used, whether quoted or summarized. This includes all forms of media on the Internet, such as graphics, movies, music, and text.
• Do NOT, under any circumstances, use or possess hacking software. It is strictly prohibited and all violations will be subject to policies outlined in this document and the P.K. Yonge DRS Code of Student Conduct. Violation of applicable state or federal law may result in criminal prosecution or disciplinary action by P.K. Yonge DRS.
• Return the Chromebook at the end of each school year. Students who withdraw, are suspended or dismissed, or terminate enrollment at P.K. Yonge DRS for any other reason must also return their individual school Chromebook and any other peripherals or instructional technology tools prior to the date of termination.

I will purchase my music and media and refrain from distributing these in a manner that violates their licenses.
8. STUDENT AND PARENT/GUARDIAN AGREEMENT FOR CHROMEBOOK USE

I/we understand that Chromebooks are intended solely for educational use and that students are not permitted to download any applications not authorized by their teachers or approved by P.K. Yonge administration.

- I/we understand my/our responsibilities with respect to the care and maintenance of the Chromebook.
- I/we understand the terms and conditions of the damage policy for the Chromebook that was purchased by P.K. Yonge DRS.
- I/we understand that students may take Chromebooks home in the evenings for school related use; however, I/we understand that students must have Chromebooks in school every day.
- I/we understand that students must return Chromebooks at the end of the school year in the condition it was received.
- I/we understand that I must report any problems or damage to the Chromebook to the IT Team.
- I/we understand that P.K. Yonge DRS reserves the right to conduct unannounced inspections of student Chromebooks.
- I/we understand that the use of Chromebooks will be governed by all terms and conditions of the P.K. Yonge DRS policies and regulations, including but not limited to, the P.K. Yonge DRS Acceptable Use Policy and the P.K. Yonge DRS Code of Student Conduct.

Individual school Chromebook computers and accessories must be returned to P.K. Yonge DRS at the end of each school year. Students who withdraw, are suspended or dismissed, or terminate enrollment at P.K. Yonge DRS for any other reason must return their individual school Chromebook computer on the date of termination.

INFORMATION CONCERNING WEB APPS

Web Apps are applications that utilize web and web browser technologies to accomplish a task over a network through a web browser. The teachers at P.K. Yonge DRS will utilize many web apps during instruction. The Google Suite will be utilized during the school year as a part of the 1:1 Chromebook Initiative.

The following services are available to each student and hosted by Google as part of P.K. Yonge DRS’ online presence in the Google Suite

Calendar—an individual calendar providing the ability to organize schedules, daily activities, and assignments

Docs—word processing, spreadsheet, drawing, and presentation toolset that is very similar to Microsoft Office

Sites—a website creation tool

We will utilize a web-based Learning Management System (Canvas/ Google Classroom). The role of a Learning Management System is to allow teachers to plan, implement, and assess learning processes. Through a Learning Management System, teachers are provided a way to create and deliver content, monitor student participation, and assess student performance.

Using these tools, students collaboratively create, edit, and share files and websites for school-related projects and communicate with other students and teachers. These services are entirely online and available 24/7 from any computer with Internet access. Examples of student use include showcasing
class projects, building an electronic portfolio of school learning experiences, and working in small
groups on presentations to share with others.

PARENT/GUARDIAN GUIDE

Cybersafety is an important parent/guardian-child discussion to revisit frequently, from elementary
school through high school. The following suggestions are drawn from a wide variety of professional
sources that may aid you in effectively guiding your child’s use of the Chromebook and other technology
devices in your home. In accordance with the district’s Acceptable Use Policy, outside of school,
parents/guardians bear responsibility for the same guidance of Internet use as they exercise with
information sources such as television, telephones, radio, movies and other possibly offensive media.

Filter Access
Inappropriate content is filtered, monitored, and blocked. Because of the nature of the technology, it is
impossible to ensure that a user will not be able to gain access to unsuitable material and data through
misuse or incidental occurrences related to the use of computers or the Internet. Parents/Guardians
should consider installing software to filter and block inappropriate content on your wireless home
network. A free option for home filtering is OpenDNS Software (http://www.opendns.com/). Some
products offer additional protection features such as cell phone filtering, text message and photo
screening tools, and digital footprint/reputation monitoring. Below are some options parents/guardians
should consider exploring:

- Products are now available that monitor your child’s posts and digital footprint/reputation on
  sites like Facebook and Twitter, such as SafetyWeb and Social Shield.
- Turn on the free tools within Google and YouTube to activate stricter filters on web, image, and
  video searches.
- Proactively set guidelines for computer use at your house, as well as when they are with friends.
  Sign a family agreement, such as the one available from Common Sense Media
  (http://www.commonsensemedia.org)

Set Expectations
Regularly share your expectations with your child about accessing only appropriate sites and content,
and about appropriate behavior when online (even when parents/guardians aren’t watching). Outside of
school, it is likely that your child has already been confronted with multiple opportunities to access
content that parents/guardians wouldn’t approve, such as pornography, hate sites, celebrity gossip,
reality TV, personal blogs and more, all of which may influence your teen's beliefs, values and behavior.
Understand that your teen's use of technology likely gives your teen the ability to connect to unfiltered
public wireless networks (such as in a library or coffee shop, by picking up a neighbor's wireless signal,
or connecting to the Internet through a cell service). Therefore, it is important to maintain regular, open
dialog about Internet use and access. Discuss your expectations for appropriate use and behavior.

Monitor & Limit Screen Time
Teaching today's children how to manage multiple sources of information and potential distractions is a
critical life skill, one best learned before heading off to college or the workplace. Know what your child is
doing with technology and how his or her time is being spent. In moving to a 1:1 environment at school,
a significant amount of class content will be exchanged digitally. By the nature of the program, students
will access Chromebooks at home to communicate and collaborate with classroom stakeholders and to
create content. Parents/Guardians are encouraged to help children learn to focus on completing tasks
or assignments first before spending time on games, shopping, and social networking.

Parent/Guardian and Student Acknowledgement

The Student Code of Conduct has been created to help guide students to increased success in school. We recognize that students determine their own behavior, and strong parent/guardian-school communication can lead students toward making positive choices concerning how they present themselves to the school community.

Supervision is provided between 7:30am and 3:00pm on Mondays, Tuesdays, Thursdays and Fridays when school is in session. On Wednesdays, supervision is provided from 7:30am and 2:00pm. Please be reminded that Elementary students must be picked up or sent to the After School Program fifteen (15) minutes after school is out. Supervision for Middle and High School students (who are not in a teacher-directed activity or extracurricular program) is provided one half hour before school begins and one half hour after final dismissal. Middle School students must be in the After School Program or picked up by parents/guardians. STUDENTS SHOULD NOT BE LEFT UNATTENDED ON THE SCHOOL CAMPUS. Students are not to arrive on campus before 7:30 am or remain on campus 30 minutes after the release of school unless in a teacher-directed activity or extracurricular program. Supervision is not provided before or after these times.

Please read and discuss this document with your P.K. Yonge student. After you have read the document, please sign the acknowledgement of receipt. Failure to return this acknowledgement will not relieve a student of the responsibility to know the contents of and to act appropriately while in school and in attendance at school-related functions.

Dear Parent or Guardian,

As a developmental research school, our teaching faculty closely examine student work and their teaching practices throughout the school year to best meet the needs of all learners, a process referred to as “teacher inquiry.” As a part of our mission as a developmental research school our faculty have many opportunities to share what they learn through the process of inquiry with other teachers at professional conferences and through publications. In these venues, student work can be a valuable way to illustrate the results of a particular teaching practice.

**Purpose of teacher inquiry:**
The purpose of teacher inquiry is to improve teaching and curriculum at P.K. Yonge so that we may maximize learning for all students.

**What students will be asked to do:**
As a regular part of their work as faculty, teachers collect student work and other artifacts associated with their teaching. They also talk with students and observe students to understand how and what students are learning. Your student(s) will not be asked to do anything differently from what happens during a typical class lesson. Your student(s)’ teacher(s) will also ask for your student(s)’ permission to keep their work, remove their name or any other identifier, before sharing the work samples in presentations and publications.

**Time required:**
Student participation in teacher inquiry or teachers publicly sharing work samples or comments will not disrupt nor displace the regular school day. No additional or specific time is required for your student to participate in teacher inquiry.

**Risks and benefits:**
There are no risks associated with student participation in teacher inquiry. What we learn from studying our teaching practices at P.K. Yonge will inform our improvement efforts and assist other schools and teachers in developing high quality experiences that enhance student learning. There are no direct benefits to you for participating in the study.

**Compensation:**
There is no compensation for student participation.

**Confidentiality:**
Students’ identities will be kept confidential to the extent provided by law. Your students’ names will be removed from all work samples to protect confidentiality. No personally identifiable information will be shared. No sensitive information will be collected and archived as a part of teacher inquiry. Student work samples will be protected and identifiers will be removed before publicly sharing or publishing what we learn.
Voluntary participation:
Student (and parent/guardian) participation in public sharing or publication of student work or comments is completely voluntary. Any student work sample or comments shared at conference presentations or in publications will be completely free of identifiers. If you or your student(s) decide not to consent to sharing student work samples or comments free of identifiers in public presentations or publications student grades or attendance at P.K. Yonge Developmental Research School will not be impacted.

Right to withdraw from the study:
You have the right to withdraw student work samples from presentations and publications at any time without consequence. If you decide to withdraw your consent to use your student(s)’ anonymous work samples or comments you may contact your student(s)’ teacher, or the director (Dr. Lynda Hayes).

Whom to contact if you have questions about the study:
Director of P.K. Yonge Developmental Research School: Lynda Fender Hayes, Ph.D., lhayes@pky.ufl.edu, 352-392-1554, ext. 222

Whom to contact about your rights as a research participant in the study:
IRB02 Office, Box 112250, University of Florida, Gainesville, FL 32611-2250; 352-392-0433

Participation Consent or Non-Consent

I have read the information described above. I understand that to consent to allow my student(s)’ work samples to be included in professional conference presentations or publications I do not have to do anything. I understand that all identifiers will be removed and my student’s anonymity will be protected during any public presentation or publication. If I do NOT consent to allow my student’s work samples to be shared publicly, I understand that I must sign below and return this form to the P.K. Yonge front office directly or via my student’s teacher.
