

Dear Treehouse Families,

This school year your 4th/5th grade student will receive human growth and development education as part of P.K. Yonge's overall health education curriculum on May 10, 12, 17, 19. Depending on your child's grade level, topics may include:

- Personal Safety
- Human Reproductive Anatomy (5th Grade Only)
- Puberty
- Harassment & Bullying
- Healthy Relationships
- Decision Making

The lessons are available for you to view on Google Drive : <https://bit.ly/2vIZncU> . If you have any additional questions, you are welcome to follow up with your student's advisory teacher.

P.K. Yonge acknowledges that guardians are the primary health educators for their child/children and we are committed to partnering with you to provide supplementary resources to support you in this role.

Guardians have the option of excluding their student from any portion of human growth and development instruction if it is in conflict with conscience, moral, or religious beliefs. If this is the case with your students, please fill out the exclusion form below and send it to your student's advisory teacher. Students who are excused will be assigned independent activities.

Sincerely,

*The Treehouse Team*
