## During Pick-up and Drop-off Times:

### To Speed Things Up

PULL ALL THE WAY FORWARD when picking up or dropping off children.  
Help children be prepared to exit/enter the car quickly.  
DO NOT STOP in the thoroughfare in the visitor parking lot.

### For Safety

Have children exit your car on the side closest to the blue benches/school buildings.  
Drive SLOWLY on campus at all times.  
Avoid looking at phones/texting while driving on campus.  
PARK in visitor parking spaces to unload/pick up children.  
Drop students off or pick students up in designated areas.

## During the Day

### To Speed Things Up

Have your window down so that you can check in with security at the gate.  
Avoid being on the phone while checking in with security.

### For Safety

Let the guard know what brings you to campus.  
Clarify the traffic flow at the time you enter campus.  
Know which gate to use when you exit campus.  
Check in at the front office.

## NOTES:

No food deliveries for students from outside vendors will be allowed to enter campus.  
No checks or money will be accepted by the security guard at the gate.  
Please be patient, kind, and courteous as we refine our systems for the safety of your children.
