INTRODUCTION

At P.K. Yonge we strive to position our students to be creative, dedicated, and resilient learners who embrace the power of diverse ideas, talents, and cultures to improve our world. In order for learning to take place in a safe environment, there must be a strong partnership and mutual respect between students, families, faculty, and staff.

Students and families are asked to read the Code and Policies together and to sign and return forms provided by the school: Parent/Guardian/Student Acknowledgement, Acceptable Use of Technology Policy Agreement and Consent, Chromebook Policy Agreement, Internet Applications Consent, Photo/Video Release, and the Student Health Services Consent.

Yonge’s mission is to design, test, and disseminate innovations in K12 education by serving a diverse student community. In order for P.K. Policies: Attendance, Virtual Instruction, Admissions
http://pkyonge.ufl.edu/information/policies-publications
TARDINESS
It is important to be at school on time. If students arrive late, they miss class time and may disrupt the learning of others. Students are tardy if they come to school after the beginning of the school day or if they are not in their classrooms when the tardy bell rings.

If students are tardy to school, they or their parent/guardian must sign in at the Attendance kiosks.

A student’s tardiness may be excused at the discretion of P.K. Yonge’s administration. The following reasons will not be accepted as reasons to excuse tardiness: heavy traffic; oversleeping; returning home for forgotten items; and non-educational appointments other than documented medical appointments.

Parents or guardians will be notified in the event that a student is habitually tardy/absent.

For elementary students, tardiness or early check-outs that result in a student missing more than 50% of the school day will be counted as one absence. For secondary students, tardiness or early checkouts that result in a student missing more than 50% of a class period will be counted as one absence for that class period. Whether these absences qualify as excused or unexcused is determined based on guidelines outlined below.

Four (4) unexcused tardies to school or unexcused early releases from school will be counted as one absence.

EXCUSED ABSENCES
Students must be in school unless they have an excused absence for one of the reasons listed below. It is the responsibility of parents/guardians to explain a student’s absence from school in a manner acceptable to school administration and outlined in this policy. Documentation of absence must be provided to P.K. Yonge within two (2) school days of a student’s return. If documentation is not received within that timeframe, the absence will be considered unexcused. Acceptable reasons for excused absences include:

- Sickness, injury, death in the family, or some other insurmountable condition [up to six (6) absences for illness per semester with a parental note are excused]
- Documented appointments with health care professionals - documentation must include signature, date, and confirmation that the duration of the absence from school is medically necessary
- Documented absence for religious instruction or for religious holidays
- Participation in an academic class or a school-sponsored activity approved by the Principal
- Court appearances (court documentation is required)

Absences for students due to other individual circumstances may be excused by the Principal. All other absences are considered unexcused.

High school students who have more than six (6) unexcused absences in a semester may be required to demonstrate mastery of student performance standards in order to receive course credit.
PRE-ARRANGED ABSENCES
Parents/Guardians planning ahead for a student’s absence from school must apply for pre-arranged absence approval from the Principal. Likewise, parents/guardians may request approval for absence of a student for religious instruction or religious holidays.

Pre-arranged Absence Applications must be submitted to the front office seven (7) days in advance of the absence. Applications turned in late may NOT be approved and may result in unexcused absence(s).

Application forms are available in the front office and online on the Attendance page on the website (http://pkyonge.ufl.edu/information/attendance/). Pre-arranged absences may be requested for medical procedures, and significant family events including weddings or funerals. Pre-arranged absences will not be granted for family vacations or leisure activities. Parents will be notified if a pre-arranged absence is not approved.

UNEXCUSED ABSENCES/HABITUAL NONATTENDANCE
A hearing with the Attendance Review Board may occur for students who are demonstrating a pattern of nonattendance, or who have fifteen (15) or more unexcused absences in a period of ninety (90) calendar days. [F.S. 1003.27]

Student attendance is critical to P.K. Yonge’s educational research mission. Enrollment at P.K. Yonge is a choice. Attendance is a requirement. A student may be dismissed or not permitted to re-enroll at P.K. Yonge if minimum attendance requirements outlined in the Attendance Policy are not met.

Policies: Attendance
http://pkyonge.ufl.edu/information/policies-publications

Students are required to attend school from age 6 through age 16. A student may withdraw from school at age 16 only if a parent/guardian gives written permission to the school. [F.S. 1003.21]

FREE SPEECH, STUDENT PUBLICATION, ASSEMBLY, AND OFF-CAMPUS BEHAVIOR
Citizens are guaranteed self-expression under the First and Fourteenth Amendments of the United States Constitution and Article One; Section Four of the Florida Constitution. One of the basic purposes of education is to prepare students for responsible self-expression and the free exchange of ideas.

Students’ off-campus speech, social media activity, digital communications or other conduct which occurs outside of school time that violates the Code of Student Conduct may also be the basis for discipline, up to expulsion, if it has the potential to disrupt the process of education, impact the safe and efficient operation of the school or school-sponsored activities, or interferes with the rights, safety, or welfare of others.

Rights
• To express viewpoints responsibly without jeopardizing relations with teachers or school
• To print and distribute publications only under the supervision of the Principal/designee

- To observe guidelines provided by school administrators and follow the rules of responsible journalism so as not to slander or libel other persons.

PRIVACY
Federal and state laws provide persons with reasonable expectation of privacy in addition to freedom from unreasonable search and seizure of person and property. Such guarantees are not unlimited and must be balanced by the school’s need to protect the health, safety, and welfare of all.

Rights
- To keep personal possessions private unless appropriate school personnel have reasonable cause to believe that a student may have an object or material which is prohibited by law or the school may be present
- To expect that the school will keep student records safe and private

Responsibilities
- To refrain from carrying or concealing any prohibited material
- To learn how information is gathered, used, and what it means in a student’s school records

STUDENT RECORDS
The Family Educational Rights and Privacy Act (FERPA) is a federal law pertaining to maintenance and disclosure of student records. The “Notice for Directory Information” in Appendix A explains families’ rights and obligations regarding the disclosure of personal information in student records, including the release of information to military recruiters.

Reports of bullying or harassment that occur outside the regular school day will be investigated and may result in discipline if the bullying substantially interferes with or limits the victim’s ability to participate in or benefit from the services, activities, or opportunities offered by the school or substantially disrupts the education process or orderly operation of the school.

If a student or parent/guardian believes the student has been the victim of bullying or harassment, immediately report the situation to your teacher, school counselor, Principal/designee, or other school staff.

Bullying may also be reported using the Bully Boxes on campus.

Filing of a complaint or otherwise reporting harassment will not affect a student’s status, participation in extracurricular activities, future grades or work assignments.

If a student is found to have committed an act of bullying or harassment, including sexual harassment, or is found to have falsely accused another as a means of bullying or harassment, the student may receive behavioral interventions or be disciplined up to and including suspension or dismissal.

TITLE IX
If a student believes that they have been a victim of sexual harassment or misconduct, they should report the incident immediately to a teacher, school counselor, school administrator, or other member of school staff. Incidents may also be reported to the University of Florida’s Title IX Coordinator Dr. Russ Froman | rfroman@ufl.edu | 352.273.1094. Title IX is a comprehensive federal law that prohibits discrimination on the basis of sex in any federally-funded education program or activity. This law includes protection from sexual harassment or misconduct. For more information: http://pkyonge.ufl.edu/information/title-ix/.

When an allegation of sexual harassment is made, interventions to ensure all students’ safety may be put in place, which may include increased supervision, change in transportation, or change of schedule including possible change of school assignment.
DATING VIOLENCE AND ABUSE
The school prohibits any act of dating violence or abuse by one student against another student on school property, during a school-sponsored activity, or during school-sponsored transportation. [F.S. 1006.148]

FALSE ACCUSATIONS
It is a most serious breach of conduct to intentionally make false accusations that jeopardize the professional reputation, employment or professional certification of a teacher or other member of the school staff. [F.S. 1006.09] Levels of violations are outlined in the following pages of the Code of Student Conduct.

HAZING
The school prohibits hazing activities at any time on school property or at school-sponsored events. Even if a student is only a by-stander, the student may be deemed to be a participant if they stay present during a hazing incident. Student by-standers are expected to leave the area immediately and are encouraged to report the incident. [F.S. 1006.135]

THREATS OR FALSE REPORTS
The school prohibits the threat of violence against individuals or groups, either directly or indirectly, which places them in reasonable fear of physical harm with or without the use of a weapon.

A. Bomb/Destructive Devices: If a student is found to have made a threat or false report of a bomb or destructive device as defined by F.S. 790.162 and F.S.790.163 involving school or school personnel’s property, school transportation, or a school-sponsored activity, the student will be expelled from the regular school for not less than one year and referred for criminal prosecution. [F.S. 1006.07]

If a student is found to have made a threat of violence, they may be disciplined up to and including suspension, recommendation to enroll in their home-zoned school, expulsion, arrest, and prosecution. [F.S. 836.10]

If a student has received a threat or has knowledge of a threat, the student is encouraged to report it immediately to a teacher, school administrator, or other member of school staff.

All threats of violence (oral, written, electronic or symbolic) will be reported to law enforcement and investigated by school officials.

DRESS CODE
The manner in which students dress can have a positive impact on students and the school. If students respect themselves and others and dress appropriately for school, they will help to make the school a safe and orderly place to learn. The following dress code policy should be enforced consistently by all members of the P.K. Yonge Community.

While on the P.K. Yonge campus, all students should wear clothing that allows them to perform school tasks and activities in such a way that all private parts are and remain covered; these include chests, buttocks, and genital areas. For certain classes, teachers may impose more specific requirements for safety reasons (e.g., sneakers in PE, closed-toe shoes in science lab classes, etc.).
Code of Student Conduct

When students are representing P.K. Yonge beyond the campus, coaches, club sponsors, or supervising teachers may exercise reasonable discretion in determining attire fitting for the particular setting (e.g., conferences, field trips, presentations, sporting events, etc.). Swimwear is only permitted for specified events (e.g., Senior water day, water park field trips, etc.)

Clothing that represents hate speech is disruptive to the learning environment and will not be tolerated. Hate speech is defined as any words and/or symbols that negatively target any individual or group on the basis of attributes such as race, religion, or national origin. Additionally, clothing that promotes alcohol, tobacco, illegal substances, gang affiliation or violence, or that mocks a tragic event is also disruptive to the learning environment and will not be tolerated. Administration will remain in communication with law enforcement partners to continually revisit guidelines related to trends in gang-related attire.

Any faculty or staff member has the right and responsibility to enforce the dress code. In the event that a student’s attire does not meet dress code requirements, the student will be spoken to privately. The student will be given the opportunity to make adjustments to clothing so that they are in compliance with the dress code. Students who continually choose not to comply with the dress code may be disciplined according to the progressive discipline model, including, but not limited to, parent/guardian contact, in-school detention, or out-of-school suspension.

FACE COVERINGS AND PHYSICAL DISTANCING IN RESPONSE TO COVID-19
All students, parents, faculty, staff, volunteers, visitors and vendors are required to wear a mask or cloth face covering when in P. K. Yonge facilities and on the P. K. Yonge campus, with only a few exceptions for children less than 2 years old or those who are ill. For those who are unable to wear a face covering, face shields will be an acceptable alternative.

Face coverings are to be worn in all classrooms, public/common areas, including lobbies, conference rooms, auditoriums, stairwells, bathrooms, lounges, patios, courts and fields. Exceptions include when in private offices, private workspaces with adequate physical barriers, and well-ventilated outdoor spaces where appropriate physical distancing of at least 6 feet can be maintained.

CHROMEBOOKS/ WIRELESS COMMUNICATION DEVICES (WCDs)/TECHNOLOGY USE

CHROMEBOOKS
P.K. Yonge provides devices for instructional use. Students from 6th-12th grades are issued Chromebooks and are expected have their school-issued Chromebook fully charged and at school every day. It is also expected that students take Chromebooks home each evening.

Policies: Chromebook, Acceptable Use of Technology, Code of Student Conduct:  
http://pkyonge.ufl.edu/information/policies-publications

Before a student is issued a Chromebook, parents/guardians/students must review the policies and sign and return the Chromebook Policy Agreement, the Internet Applications Consent, and the Acceptable Use of Technology Agreement. Copies are located in the Appendices of the Code of Student Conduct and on the P.K. Yonge website: http://pkyonge.ufl.edu/information/policies-publications.)
Students are responsible for keeping Chromebooks clean, free of stickers and drawings, and in good working condition. Damage to Chromebooks, power adapters/AC cables, cases, or other instructional technology tools will result in the student being charged a fee for repairs, or paying for a replacement should the cost of repair exceed the cost of replacement. Details may be found in the Chromebook Policy (http://pkyonge.ufl.edu/information/policies-publications). Damage, loss, or malfunction must be reported to the IT Team immediately.

Chromebooks are returned at the end of each school year or upon termination of enrollment at P.K. Yonge. Drivers of school vehicles may suspend the use of WCDs on school vehicles if their use becomes disruptive or distracting.

Students who violate these rules will be subject to disciplinary action and/or confiscation of their personal WCD by school staff, faculty, or administration. Also, students may lose the privilege to bring personal WCDs to school for a designated length of time. The Principal or designee may search a student’s WCD if they reasonably suspect that the WCD has been used to violate school policy. Administration may also refer the matter to law enforcement if the violation involves illegal activity.

Students may also possess other electronic devices which have been approved by the administration. Students are responsible for the care and security of school-issued Chromebooks, personal WCDs, and other electronic devices. Students should record their device’s serial number and tracking software is recommended. P.K. Yonge is not responsible for lost, damaged, or stolen devices.

When connected to off-campus networks, school-issued Chromebooks are still subject to the school’s network filtering and monitoring.

Investigation of and response to prohibited uses of technology (outlined above) will only occur during school hours.

P.K. Yonge is not responsible for providing troubleshooting or technical support for personal WCDs.

DRIVING/PARKING ON CAMPUS
Parking on school property is a privilege and may be granted or revoked by administration. Failure to abide by any school-established parking regulations, including the purchase of a parking permit and payment of any parking fines, may result in the suspension or revocation of parking privileges, disciplinary action, or exclusion from participation in extracurricular activities and other school events (e.g., interscholastic athletics, prom, commencement exercises, etc.).
Code of Student Conduct

Students are responsible for the care of their vehicles. Students must observe all safety rules, and remain courteous and considerate of others. The school is not responsible for motor vehicles which are lost, stolen, or damaged.

Students are not allowed to be in parking lots during the school day without permission from an administrator. Teachers cannot write passes for students to access the parking lot during the regular school day. Students in the parking lot without consent are in violation of the Code of Student Conduct and will be subject to disciplinary action. Weapons, drugs and other controlled substances are prohibited in vehicles parked at school and at all school events at all times.
SECTION 3: DISCIPLINE FOR MISCONDUCT

At P.K.Yonge, our philosophy on discipline stems from the understanding that students make choices regarding their behavior. In the event that students make choices that aren’t acceptable for school, it is our responsibility to help them correct that behavior and make better future choices.

Driven by our commitment to equity, we believe that discipline should be fair and restorative and be based on input from behavior coaches, faculty, staff, families, and students. Each of us plays an important role in student discipline. Behavior coaches, faculty, staff, families and students work as partners to support students in creating sustainable changes in behavior.

The Principal/designee is responsible for school discipline and has a reasonable degree of discretion in determining the severity of misconduct and the appropriate consequence. Administrators and teachers may develop specific rules and disciplinary practices which supplement this Code of Student Conduct, but do not conflict with it. If a Principal/designee needs to deviate from the range of consequences shown, the rationale will be documented and placed in the discipline folder. The Principal/designee is authorized to take disciplinary action in response to all misbehavior.

Off campus speech or other conduct occurring outside of school time that violates the P.K. Yonge Code of Student Conduct may also be the basis for discipline, up to expulsion, if it has the potential to disrupt the process of education; impact the safe and efficient operation of the school; or interferes with the rights, safety, or welfare of others.

Incidents of misconduct may be addressed by school staff, faculty, or administration. Incidents will be investigated and school staff, faculty, or administration may contact parents/guardians.

If a student engages in violent or disruptive behavior, the student may be referred for mental health services in addition to or in lieu of any other sanctions that may be imposed. [F.S. 1006.07]

A number of factors will be considered in determining the level of misconduct and the resulting consequences. These factors include, but are not limited to:

- Seriousness of offense
- Planning, impulse, or self-defense
- Age
- Disability
- Strength of evidence
- Attitude - cooperation/remorse
- Disciplinary history

Behaviors and their consequences are divided into four levels. Each level represents progressively more serious misbehavior and consequence. Levels are described in the following pages (19 and 20).

STUDENTS WITH DISABILITIES

All students are expected to follow the Code of Student Conduct and school policies. For students with disabilities, the mandatory penalties provided by this policy shall be subject to the procedures for discipline of students with disabilities. A definition of “students with disabilities” is provided in the Glossary. The Principal/designee will follow procedures outlined in P.K. Yonge’s approved district SP&P (ESE Policies & Procedures) on the Florida Department of Education website: http://www.fldoe.org/academics/exceptional-student-edu/monitoring/ (2019-20, PK Yonge – UF) For students with disabilities covered only by Section 504 of the Rehabilitation Act of 1973, procedures consistent with this statute and its regulations will be followed.
LEVELS OF OFFENSES

LEVEL IV
A Level IV offense is a minor act of misconduct which interferes with orderly classroom or school functions, or with learning. These offenses may be handled first by the teacher or another professional staff member. The student may also be referred to the Principal/designee.

Typically at P.K. Yonge a Level IV offense is managed by a teacher.

The following actions may be taken in response to Level IV misconduct:

- Verbal Reprimand
- Time Out
- Withdrawal of Privileges
- Parent Notification
- Counseling
- Teacher/Student Conference
- Teacher/Student/Parent Conference
- Restitution and Restorative Practices
- Behavior Contract
- Behavior Citation

LEVEL III
A Level III offense is a serious act of misconduct which requires administrative action. Such offenses include repeated minor misconduct and acts directed against persons or property. These offenses do not endanger the health or safety of the student or others.

Parents/Guardians will be notified, and the following actions may also be taken in response to Level III misconduct:

- Administrator/Student/Parent Conference
- Time Out
- Withdrawal of Privileges
- Counseling
- Service to School
- Detention
- Behavior Contract
- In-school Suspension/Detention for Partial Day
- Restitution and Restorative Practices
LEVEL II
A Level II offense is a more serious act of misconduct, including repeated misbehavior of the same type, serious disruption of school and threat to health, safety, or property. These offenses are reported to the Principal/designee and may result in suspension from school or from extracurricular activities.

Parents/Guardians will be notified and the following actions may also be taken in response to Level II misconduct:
- Administrator/Student/Parent Conference
- Behavior Contract
- After-school Detention
- In-school Suspension/Detention
- Suspension from Extracurricular Activities
- Out-of-school Suspension
- Recommend Enrollment in Home-zoned School
- Restitution and Restorative Practices

LEVEL I
A Level I offense is the most serious breach of conduct; it must be reported immediately to the Principal/designee. Such breach of conduct includes, but is not limited to: willful disobedience, open defiance of authority of school staff, violence against persons or property, and any other act which substantially disrupts the orderly conduct of the school. If a student commits a Level I offense, they will be suspended from the regular education program and the Principal/designee may recommend enrollment in their home-zoned school or expulsion. A Level I act may also require a report to a law enforcement agency, which may result in criminal penalties.

Parents/guardians will be notified and the following actions may be taken in response to Level I misconduct:
- Administrator/Student/Parent Conference
- Out-of-school Suspension [no more than ten (10) days, unless otherwise required by law or this Code or when accompanied with a recommendation for reassignment or expulsion]
- Recommend Expulsion
- Report to Law Enforcement
- Restitution and Restorative Practices
SECTION 4: PROCEDURES

STUDENT DETENTION, SEARCH, AND SEIZURE
Students may be temporarily detained and questioned about possible violations of school rules. The Principal or designee may search student lockers, vehicles or other storage areas upon reasonable suspicion that a prohibited or illegally possessed substance or object is contained within the area. [F.S. 1006.09(9)] In addition, metal detectors and trained dogs may be used to screen for prohibited weapons and substances. The Principal or designee may confiscate and search personal wireless communication devices (WCDs) or school-issued devices if there is reasonable suspicion that a student has used the WCD or school-issued device to violate school policy.

EXCLUSION FROM EXTRACURRICULAR ACTIVITIES
Extracurricular activities are offered to enhance a student’s overall educational experience. These activities are supplemental to the school curriculum and are privileges, not rights.

This includes participation in and/or spectator attendance at any extracurricular activity or event. Students are expected to behave appropriately at all times while participating in or attending these activities. All school rules and regulations are in effect during extracurricular activities, whether held on or away from campus.

In order to participate in extracurricular activities, students must maintain satisfactory conduct as determined by the administration. The Principal/designee may revoke participation in or spectator attendance for one (1) specific extracurricular activity or for all extracurricular activities, for a period not to exceed the remainder of the school year in which the offense took place.

If a student is convicted of, or is found to have committed, a felony or a delinquent act which would have been a felony if committed by an adult, regardless of whether adjudication is withheld, the student shall not be eligible to participate in interscholastic extracurricular activities for a period of one (1) year from the time of such conviction or finding.

If students fail to pay charges assessed for replacement of lost or damaged materials or equipment loaned to them, then they may be suspended from participation in extracurricular activities.

PERMANENT REMOVAL OF STUDENT FROM CLASS
Students may be removed from class by a teacher for chronic misconduct which interferes with the teacher's ability to effectively communicate with the class, or interferes with the ability of classmates to learn.

STANDARDS FOR USE OF REASONABLE FORCE
Corporal punishment is prohibited by P.K. Yonge Developmental Research School at the University of Florida. Administrators, teachers, and support staff may use and apply reasonable force for self-protection or for the protection of other students if a student is physically disruptive.

IN-SCHOOL SUSPENSION/DETENTION
In-school suspension will only be offerred at the discretion of the Principal or designee for offenses found in Section 2: Rules and Notices. Students may be detained after school is dismissed. If a student is detained after the close of the regular school day, a parent/guardian will be contacted and informed that the student will be detained. If the parent/guardian cannot be contacted, the student will be detained on another day. The parent/guardian is responsible for transportation following the detention.
OUT-OF-SCHOOL SUSPENSION
The Principal or administrative designee has the right to suspend a student from school for a serious act of misconduct. The procedure below shall be followed for suspension from school:

1. **Notice Prior to Suspension.** The student will receive oral and written notice of the charges, and an explanation of the evidence against them. In a conference, the student will have an opportunity to respond to the charges and to explain their behavior.

2. **Suspension.** If the Principal/designee determines that there are sufficient grounds for suspension, then the student will be informed that they are being suspended from school and for what length of time. The student will normally be suspended effective at the end of the school day.

3. **Parent Contact.** The Principal/designee will make a good faith effort to immediately contact a parent/guardian by telephone and will also send a written notice to the parent/guardian. The notice will state the length of the suspension and the reasons for it.

4. **Homework.** If suspended, the student will be released to their parent/guardian. The student or the parent/guardian may obtain assignments from the student’s teachers. Students will receive credit for the assignments completed and turned in upon their return to school.

5. **Appeal.** A student or parent/guardian may appeal a suspension decision through the Student Grievance procedure. See Section 5: Grievance Procedures for Students and Parents/Guardians

6. **Temporary Suspension.** In an emergency the Principal may temporarily suspend a student prior to a conference when the safety or health of students, staff or other persons in the school may be threatened by the student’s continued presence. When temporary suspension is necessary, the Principal/designee will inform the parent/guardian by the most rapid means. As soon as feasible under the circumstances, the Principal will hold a conference with the student and parent/guardian. Following the conference, the Principal may formally suspend the student; however, in no case shall the Principal’s temporary and formal suspensions exceed ten (10) days for the same offense.

For students with disabilities, the Principal will follow the discipline procedures for students with disabilities: Florida State Board of Education Rule 6A-6.03312 Discipline Procedures for Students with Disabilities - [https://www.flrules.org/gateway/ruleno.asp?id=6A-6.03312&Section=0](https://www.flrules.org/gateway/ruleno.asp?id=6A-6.03312&Section=0).

If a student is suspended from school, the student may not be on any school property during the suspension, except with the Principal’s permission.

DISMISSAL - Discipline-related
A student who has committed a most serious breach of conduct or who has a documented history of repeated disciplinary incidents may be considered for dismissal from P.K. Yonge.

Administrative Actions Include:

- **Notice.** A parent/guardian will receive notice of the charges and an explanation of the evidence in writing. In a conference, the student will have an opportunity to respond to the charges and to explain the behavior. The student may give the Principal the names of witnesses to the incident, so that they may be questioned.

- **Suspension/Recommendation.** The parent/guardian/student will be informed that the student is being suspended from school for ten (10) days and that a recommendation for dismissal is being forwarded to the Director.

- **Extension of Suspension.** When action on a recommendation for dismissal is pending, the Principal may extend the suspension beyond ten (10) school days. The parent/guardian will be informed in writing of any extension.
Code of Student Conduct

- **Conference Opportunity.** Upon request, the parent/guardian will be given an opportunity to attend a conference with the Principal to discuss the reasons for suspension and/or the recommendation for dismissal. This opportunity will be provided within 48 hours of the request (excluding Saturday, Sunday and school holidays).

- **Investigation.** The Director may investigate the incident. Alternatives to dismissal shall be considered.

- **Notice of Charges/Request for Hearing.** If sufficient basis for dismissal is found, regardless of whether a student has withdrawn from school, a notice of charges will be sent to the parent/guardian. The parent/guardian may, within ten (10) calendar days from receipt of the notice, request a hearing on the charges before the Director. Failure to submit a timely request for a hearing or failure to appear at a hearing after receipt of the notice of the date of the hearing shall be deemed a waiver of any hearing on the matter.

- **Director’s Action.** The Director will enter a Final Order on the expulsion recommendation and the student and parent/guardian will be notified in writing of the Director’s action.

**DISMISSAL – Attendance-related**

Student attendance is critical to P.K. Yonge’s educational research mission. As a special school district, P.K. Yonge does not provide transportation to and from the school. Families students assume responsibility for daily transportation to and from school and are responsible for the timeliness of a student’s arrival for the start of the school day, pick up at the end of the school day, and daily attendance. If a student is unable to maintain a timely arrival and daily attendance outlined in the Attendance Policy, the student may be dismissed from the school and/or may not qualify for annual re-enrollment.

Policies: Attendance [http://pkyonge.ufl.edu/information/policies-publications](http://pkyonge.ufl.edu/information/policies-publications)

**Administrative Actions Include:**

- **School Meeting.** Administration will meet with the student’s instructors to fully understand how attendance has impacted the academic progress of the student.

- **Notice.** A parent/guardian will receive notice of the expulsion and an explanation of the evidence in writing.

- **Conference Opportunity.** Upon request, the parent/guardian will be given an opportunity to attend a conference with the Principal to discuss the reasons for the recommendation for dismissal. This opportunity will be provided within 48 hours of the request (excluding Saturday, Sunday and school holidays).

- **Investigation.** The Principal will make a determination about the student’s situation and may investigate. Alternatives to dismissal may be considered.

- **Request for Hearing.** If sufficient basis for dismissal is found notice of the Principal’s determination will be sent to the parent/guardian. The parent/guardian may, within ten (10) calendar days from receipt of the notice, request a hearing on the decision before the Director. Failure to submit a timely request for a hearing or failure to appear at a hearing after receipt of the notice of the date of the hearing shall be deemed a waiver of any hearing on the matter.

- **Director’s Action.** The Director will enter a Final Order on the dismissal recommendation and the student and parent/guardian will be notified in writing of the Director’s action.

Students who have been dismissed from P.K. Yonge may not be on any school property except with administrative permission.
SECTION 5: GRIEVANCE PROCEDURES FOR STUDENTS AND PARENTS/GUARDIANS

Student Right
- Students have the right to file a complaint if they feel that they have been treated unfairly.

Student Responsibility
- Students have a responsibility to learn about and follow the procedures for filing a complaint.
- A grievance procedure is used when a student believes there has been a violation of the procedures in the Code of Student Conduct. Unless otherwise provided, a student grievance may be pursued in order through three levels.

Level 1 – Informal Discussion
The student or parent/guardian should discuss the complaint with the person responsible for what the student or parent/guardian believe to be unfair treatment under the Code of Student Conduct. A meeting and discussion should occur within five (5) school days after the time of the alleged unfair treatment. No grievance will be processed until after such informal discussions have taken place. If the grievance involves discrimination or harassment, the student or parent/guardian may report, orally or in writing, 1) to a teacher or administrator at P.K. Yonge or at the harasser’s school; 2) to the Director; or 3) to the University of Florida Title IX Coordinator Dr. Russ Froman rfroman@ufl.edu | 352.273.1094.

Level 2 – School Principal
If the grievance has not been resolved at Level 1, the informal level, the student and parent/guardian may submit a completed Student Grievance Form to the Principal within five (5) school days after the Level 1 discussion. The grievance shall: a) name the person(s) affected; b) state the facts giving rise to the grievance; c) identify the specific action being grieved; and d) indicate the specific relief requested. The Principal will have five (5) school days after the receipt of the grievance in which to hold a conference and provide a written response.

Level 3 – Director
If the grievance has not been resolved at Level 2, the student and/or parent/guardian may, within five (5) school days after receipt of the Principal's decision, submit the Student Grievance Form to the Director.

Student Grievance Form: http://pkyonge.ufl.edu/information/policies-publications/

A. Within five (5) days from receipt of the written grievance form, the Director will communicate with the student and parent/guardian. An investigation will be conducted. The investigation should be completed within fifteen (15) school days from receipt of the written grievance form. The Director will attempt to resolve the grievance through mutual agreement.

B. If the grievance has not been resolved, the Director’s designee (not the person who conducted the investigation) will hold a conference with the student and parent/guardian within twenty (20) days from receipt of grievance form. The student and parent/guardian will have an opportunity to present evidence relevant to the facts and issues raised by the grievance. The Director’s designee will make a decision in writing within five (5) days.

C. The decision of the Director’s designee will be communicated to the student and parent/guardian.

The decision of the Director’s designee shall be final.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) NOTICE FOR DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your student’s education records. The school may, however, disclose appropriately designated directory information without written consent unless you have advised the school to the contrary in accordance with school procedures. The primary purpose of directory information is to allow the school to include this type of information in certain school publications. Family Educational Rights and Privacy Act (FERPA) Notification: http://pkyonge.ufl.edu/information/policies-publications/

Examples include:
- a playbill showing your child’s role in a production

A parent or eligible student may file a written complaint with the Family Policy Compliance Office (U.S. Department of Education, 400 Maryland Avenue SW, Washington, DC 20202-5920) if it is believed that a violation of the act has occurred.

In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with the name, address and telephone listing of students, unless parents have advised the LEA that they do not want this information disclosed without their prior written consent.* You must notify P.K. Yonge Developmental Research School in writing by September 30, 2018 or within 6 weeks of school enrollment, whichever is later, if you do not want the school to disclose directory information from your child’s education records without your prior consent. * These laws are Section 9528 of the ESEA (20 U.S.C. 7908), as amended by the No Child Left Behind Act of 2001 (P.L. 107-110), the education bill; and 10 U.S.C. 503, as amended by Section 544, the National Defense Authorization Act for Fiscal Year 2002 (P.L.) 107-107, the legislation that provides funding for the nation’s armed forces.

PARENT/GUARDIAN AND STUDENT ACKNOWLEDGEMENT

The Code of Student Conduct has been created to help guide students to increased success in school. We recognize that students determine their own behavior, and strong parent/guardian-school communication can lead students toward making positive choices concerning how they present themselves to the school community.

Supervision is provided between 7:30am and 2:45pm on Mondays, Tuesdays, Thursdays and Fridays when school is in session. On Wednesdays, supervision is provided from 7:30am and 2:10pm. Please be reminded that Elementary students must be picked up or sent to the After-school Program fifteen (15) minutes after school is out. Supervision for Middle and High School students (who are not in a teacher-directed activity or extracurricular program) is provided one half hour before school begins and 30 minutes after final dismissal. Middle School students must be in the After-school Program or picked up by parents/guardians. STUDENTS SHOULD NOT BE LEFT UNATTENDED ON THE SCHOOL CAMPUS. Students are not to arrive on campus before 7:30 am or remain on campus 30 minutes after the release of school unless in a teacher-directed activity or extracurricular program. Supervision is not provided before or after these times.

Please read and discuss this document with your P.K. Yonge student. After you have read the document, please sign the acknowledgement of receipt.
