

Senior Research Presentation Day

Wednesday, May 26, 12:00-4:00pm

Session 1 --- 12:00-1:15pm

Developmental Research School
at the University of Florida

Axel	Alamo Cuello	How can I, as a black man from Puerto Rico, increase awareness about the ways people use their position of power to express racism and the reasons one would discriminate against others just for their color or race?	34
Jessica	Alday	How can I, as a female musician, lessen gender bias in various classical music fields?	6
Jamey	Bennett	How can I, as a curious learner, inspire engaging and interesting conversations?	20
Maddy	Berryman-Dages	How can I, as a person who aims to recognize and eradicate sources of racism, determine the impact on Elementary school children who are taught about African Slavery?	32
Alex	Bonahue	How can I, as a musician and student, deepen my understanding of regional folk music in order to grow more as a player and also to increase my knowledge of humanity to help create a world that is more politically and culturally savvy?	31
Jamarie	Booth	How can I, as a high school student who is working full time while going to school, share my story in order to teach others time management and organization?	30
Patrick	Brown	How can I, as both a musician and political analyst, discuss how the commercial music market serves as a vehicle to impact and serve movements toward social change in order to support those who are raising their voices?	6
William	Brunson	How can I, as a microbiologist and environmental scientist who is worried about the future of the planet, use what I know about the way climate change affects microorganisms in order to support human survival?	7
Torey	Cobb	How can I direct my life and support my future by taking the steps of joining the army?	29
Grace	Cox	As a high school athlete, how can I increase awareness about how involvement in high school sports can support teens' mental health?	28
Colin	Currin	How can we improve the physical health and well-being of today's Americans?	27
Timmy	DePaul	As someone whose high school baseball year was cut short due to COVID-19, how can I increase awareness regarding the pandemic's devastating impact on athletes?	26
Ian	Flores-Rodriguez	How can I, as an athlete, encourage people to be healthier/have a healthier lifestyle?	24

Senior Research Presentation Day

Wednesday, May 26, 12:00-4:00pm

Session 1 --- 12:00-1:15pm

Developmental Research School
at the University of Florida

Travin	Freeman	As an avid gamer, how can I break down the negative assumptions that people have about video games (i.e., they make people angry, violent, antisocial and lazy, which are signs of bad mental health) by sharing my experiences through Auto-ethnography and Arts-Based Research?	23
Emil	Gage	How can I, as a participant in agricultural study, teach people about permaculture in order for them to become more self-sufficient and less dependent on corporations?	22
Jaden	Griffin	How can I, as a young American born and raised in Florida, help inform my generation - the next generation of voters - on the values of healthcare and how we can make healthcare better for us and the ones to come after?	21
Aaron	Hardaway	How can I, as a person who has experienced hardships because of my identity, increase understanding and awareness about how hard it is for people to accept themselves because of their identity and their environment and the impact this has on mental health?	35
Steven	Hernandez	How can I, as a Hispanic born in the USA, use audio art/podcasting to bring awareness to the terrible history of colonialism and how it has affected our modern world?	19
Jasmine	Ibarrientos	As a comics artist, how can I assess the power of fictional media in order to construct and promote respectful and representative storytelling?	5
Micah	Jean-Baptiste	How can I, as a person who is informed about the Alachua County court system, address systemic racism as evidenced by heavy sentencing of Black males and females?	18
Taylor	Kendrick	How can I, as an African American athlete who is concerned about facing discrimination, encourage equitable health care treatment for all people no matter what race they are?	17
Cale	Knowles	How can I improve the mental health of amputees after surgery? By designing an affordable prosthetic leg that allows the wearer to walk and swim, an amputee can enjoy physical exercise and outdoor activities while not having to worry about damaging their primary prosthesis.	25
Joshua	Lillie	How can I, as a young artist, help others by addressing hatred in order to create a more unified world?	16
Mya	McAfee	How can economics and economic policy be used to encourage increased ethics and sustainability and provide people with the ability to find happiness and fulfillment?	18
Genesis	Martinez	As a student who has experienced low expectations in a school setting as evidenced by repeated/routine use of worksheets and a lack of space to express creative/critical thinking, how can I ensure that a teacher creates a trustworthy relationship that supports students to grow?	15
Ga'leisha	Miller	How can I, as an African American woman, address the systemic racism affecting African Americans in America?	14

Senior Research Presentation Day

Wednesday, May 26, 12:00-4:00pm

Session 1 --- 12:00-1:15pm

Developmental Research School
at the University of Florida

Aaron	Nelson	How can I, as a rock climber and a person who thinks it is important to care for the environment, spread awareness about how people can live a more healthy and sustainable life?	13
Christian	Norman	How can we bring awareness to racial inequality and social injustice?	12
Dreem	Porter	How can I, as a person graduating from high school and well-informed about finance, raise awareness about the benefits of teaching/learning finance in high school in order to benefit high school graduates in their adult life after school?"	11
Te'Jon	Reshard	How can I, as a musician, gain an understanding of music's effect on people's emotions, so I can figure out how I can help create positivity and happiness?	10
Victor	Sanchez-Rivas	How can I, as a person who has experienced fear, help people understand fear more deeply beyond just being scared?	9
Javari	Seabrooks	How can I, as an athlete, help people have a better understanding of the effect of taking Human Growth Hormones (HGH)?	8
Sebastian	Stokes	As someone who is interested in the video games industry and have personally played video games most of my life, raise awareness of how video games affect the mental health of young teens?	4
Sydney	Torres-Marquis	As a sibling of children who were in the foster system, how can I better inform people about how that system affects a foster child's mental and physical health?	3
Doogan	Townsend	How can we, as a country, end the polarization of United States politics to pass meaningful legislation that Americans desire?	6
Ethen	Ungaro	How can I help people become more aware of the human trafficking that is happening where they live and understand why they are unaware?	2
Tate	Workman	How can I, as a swimmer/someone who has benefited from the sport, encourage the general public to realize the benefits swimming for exercise throughout a lifetime can have on general health and longevity?	1
