### CHROMEBOOK POLICY AGREEMENT

Before the distribution of a Chromebook and access to Internet applications on a school-issued device can take place, the following documents must be completed.

- Chromebook Policy Agreement
- Internet Applications Consent
- Acceptable Use Policy and Consent Agreement

By signing, I agree to the stipulations described in the Chromebook Policy located at <http://pkyonge.ufl.edu/information/policies-publications/>. This policy includes, but is not limited to:

- responsible use and care of the device and associated equipment
- policies relating to damaged equipment
- equipment return policies

I understand that the purpose of any technology equipment or resource is to support research and education and will be consistent with the educational objectives of P.K. Yonge DRS. As a user of P.K. Yonge DRS' technology equipment and resources, I acknowledge my child's responsibility for their actions and conduct in using any technology resource. The use of all electronic devices and networks is a privilege, not a right. Any action by a user that is determined by a system administrator to constitute an inappropriate or unauthorized use of any system or to improperly restrict or inhibit other members from using and enjoying any system is strictly prohibited and may result in terminating the user's access privileges. I further understand that any or all of the following sanctions could be imposed if any of the policies or procedures regarding the use of P.K. Yonge DRS technology equipment or resources, including the Internet, are violated:

- Loss of access
- Additional disciplinary action to be determined based on existing policies
- Legal action when applicable

#### Care for and Return of Equipment
