High School Physical Education Waiver

Student Name ___________________________ Graduation Year: __________

Parent/Guardian Name ___________________________ Signature: ______________

Florida law requires students to take one (1) credit in physical education to include the integration of health (Health Opportunities through Physical Education) as a high school graduation requirement. Effective July 1, 2017, students participating in two complete seasons of an interscholastic sport at the junior varsity and/or varsity level have the option to waive this HOPE course requirement. A complete season (in a sport) is defined as attendance and participation in both the practices and competitive events from the allowable first day of practice to the elimination of a team from FHSAA tournament competition.
