

Dear 6th Grade Families,

This school year 6th grade students will receive reproductive health and disease education as part of P.K. Yonge's overall health education curriculum. Topics will include:

- Monday, December 12th - [Puberty, Change, & Finding Accurate Information](#)
- Tuesday, December 13th - [Human Anatomy & Reproduction](#)
- Wednesday, December 14th - [Decision Making, Boundaries & Healthy Relationships](#)
- Thursday, December 15th - [Affection, Abstinence, & Understanding Love](#) (includes discussion of the LGBTQIA+ community)

If you have any additional questions, or would like to see copies of the lessons, you are welcome to follow up with Mrs. Montgomery, your student's science teacher (smontgomery@pky.ufl.edu).

Caregivers have the ***option of excluding their student from any portion of human growth and development instruction***. If this is the case with your students, please fill out the exclusion form below and/or email your student's science teacher at smontgomery@pky.ufl.edu. Students who are excused will be assigned independent activities.

Sincerely,

The 6th Grade Team

OPT-OUT OPTION ONLY

I wish for my student, _____, to be excused from this topic/portion of the unit: _____.
