- Focused
- Passion for music
- Enjoys performing
- Technical skill of their instrument

Developmental Research School
at the University of Florida

Health & Human Performance Pathway

About This Pathway

- 4 Years of Physical Education
- 5 AP Course
- 5 Electives

Certifications

- WordPress

Student Strengths/Interests

- Persistent
- Collaborative
- Enjoys Physical Movement
- Interested in Human Growth & Development
- Interested in Human Psychology

Developmental Research School
at the University of Florida

CTE Engineering Pathway

About This Pathway

- 4 Years of Engineering
- 5 AP Course
- 6 Electives

Certifications

- WordPress
- Project Management

Student Strengths/Interests

- Building and creating
- Investigative/scientific interests
- Spatial Awareness
- Abstract Reasoning
- Logical Reasoning
- Detail-oriented

Developmental Research School
at the University of Florida

CTE Entrepreneurship Pathway

About This Pathway

- 4 Years of Entrepreneurship
- 5 AP Course
- 3 Electives

Certifications

- WordPress
- Project Management
- Business Entrepreneurship

Student Strengths/Interests

- Proactive
- Innovative
- Creative
- Strong communication skills
- Passionate and energetic
- Resourcefulness
- Social and enterprising

Developmental Research School
at the University of Florida

CTE Artificial Intelligence Pathway

About This Pathway

- 4 Years of Computer Science
- 7 AP Course
- 5 Electives

Certifications

- WordPress
- Project Management

Student Strengths/Interests

- Investigative interests
- Good communication skills
- Collaboration
- Following procedures and routines
- Interest in programming skills

Developmental Research School
at the University of Florida

Dual Enrollment

About

- 2 Years Dual Enrollment
- 2 AP Course
- 4 Electives

Certifications

- WordPress

Degrees

- A.A. Degree is Possible

Student Strengths/Interests

- Strong time management
- Research skills
- Highly organized
- Goal oriented
- Independent

Developmental Research School
at the University of Florida

Elective Opportunities

- Visual Arts
- Performing Arts
- Physical Education
- Spanish Language
- Science (Eg., Genetics)
- Math (Eg., Statistics)
- Social Studies (Eg., AP World History)

Developmental Research School
at the University of Florida
