at the University of Florida

# What is a Capstone Diploma?

AP Capstone Diploma is:

- A designation on a student's diploma that indicates 4 qualifying scores on AP exams across subject areas and completion of AP Seminar and AP Research courses.

AP College Board Capstone Diploma provides:

- Transcript that stands out to colleges and universities
- Evidence of independent thinking
- Evidence of key academic skill development

Developmental Research School  
at the University of Florida

# Why Capstone Pathway?

- Provides the most academically rigorous coursework in four core academic disciplines.
- Students enroll in AP courses as their elective coursework
- Students experience college level research work in their high school experience (AP Research)
- An option for students who enjoy academic work in social studies, science, mathematics, and English language and value the academic coursework experience above other elective options.

Developmental Research School  
at the University of Florida
