COLLEGE TESTING

ACT

measures English, math, reading, and science. Each section is scored on a scale of 1-36 and then averaged for a composite score. There is also a writing section scored from 2-12. The writing is not required but if you are applying to competitive Universities, it should be taken at least once.

SAT

measures reading/writing and math. Each section is scored 200-800 for a composite score of 400-1600.

These scores can be sent to colleges, NCAA, etc. Take advantage of this!

The Talented Twenty Program: The Talented Twenty Program is Part of the Governor's Equity in Education Plan. The purpose is to guarantee admission to students who succeed in their respective K-12 public schools and to encourage students to strive for better grades and a rigorous curriculum. The Florida Department of Education and Florida Board of Governors has created a Frequently Asked Questions document to assist public school counselors with navigating the process. Please visit www.fldeoe.org/schools/family-community/activities-programs/talented-twenty-program/ for details and step-by-step instructions.

Florida Student Scholarship and Grant Programs: Students must submit a completed Florida Financial Aid Application (FFAA) to the Office of Student Financial Assistance for programs such as the Florida Bright Futures Scholarship Program, Jose Marti and Scholarships for Children and Spouses of Deceased or Disabled Veterans.
