What Should I Do Now?

Begin Thinking About Your Future

- Take interest surveys: students will be able to do this through their personalized educational plan.
- Talk to people who have careers in the field you are interested in
- Explore/visit colleges of interest and learn about admission info
- Talk to your family and teachers

Do your best on the PSAT, October 4th

1. You can get a good sense of how you will do on the **real SAT** which is used for college admissions and scholarship award decisions
2. You can target the areas you need to improve for the real SAT. (20 hours of practice on KHAN ACADEMY can raise your score an average of 115 points!)
3. A 430 in Math on the PSAT is the concordant score needed to fulfill the graduation requirement for the Alg I EOC

GPA Matters!

- Freshman GPA predicts graduation
- Freshman GPA mirrors Junior GPA more often than not
- Junior GPA is the one reported to universities for college admissions consideration.

Research says.....

- Classroom grades and attendance are better indicators of high school and college success than test grades. Why do you suppose that is?

What Can Parents Do To Help?
