

A: FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) NOTICE FOR DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your student's education records. The school may, however, disclose appropriately designated directory information without written consent unless you have advised the school to the contrary in accordance with school procedures.

The primary purpose of directory information is to allow the school to include this type of information in certain school publications. Family Educational Rights and Privacy Act (FERPA) Notification: <http://pk Yonge.ufl.edu/information/policies-publications/>

Examples include:

- a playbill showing your child's role in a production
- the yearbook
- the honor roll or recognition lists
- graduation programs
- sports activity sheets, e.g., for a wrestling meet, showing weight/height of team members
- photographs and video

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can be disclosed to outside organizations without a parent's prior consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks.

A parent or eligible student may file a written complaint with the Family Policy Compliance Office (U.S. Department of Education, 400 Maryland Avenue SW, Washington, DC 20202-5920) if it is believed that a violation of the act has occurred.

In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with the name, address and telephone listing of students, unless parents have advised the LEA that they do not want this information disclosed without their prior written consent. *You must notify P.K. Yonge Developmental Research School in writing by September 30, 2022 or within 6 weeks of school enrollment, whichever is later, if you do not want the school to disclose directory information from your child's education records without your prior consent.* These laws are Section 9528 of the ESEA (20 U.S.C. 7908), as amended by the No Child Left Behind Act of 2001 (P.L. 107-110), the education bill; and 10 U.S.C. 503, as amended by Section 544, the National Defense Authorization Act for Fiscal Year 2002 (P.L.) 107-107, the legislation that provides funding for the nation's armed forces.

The school designates the following personally identifiable information contained in school education records as "Directory Information."

- student's name
- student's address
- student's telephone number if it is a listed number
- dates of attendance
- participation in officially recognized activities
- degrees, honors, and awards received

- weight/height of members of athletic teams
- major field of study
- date of graduation or program completion
- date and place of birth
- school photographs
- most recent previous educational agency or institution attended
