# Bright Futures Eligibility Report

## **Notes:**

### **FAS/FMS:**

- o FAS and FMS coursework requirements align with the State University System (SUS) admissions requirements as outlined in 6.002 “Admission of Undergraduate First-Time-in-College, Degree-Seeking Freshmen”.
- o The X2 line for FAS and FMS totals the (up to) two extra credits that can be used in FAS and FMS GPA calculations.
- o A Level II or higher Foreign/World Language (FL) course will meet the FL Completer requirement and negate the need for additional FL credits.
- o AICE/IB – Courses that count toward AICE/ IB are reflected in the FAS and FMS credit sections.
- o Algebra 1-A (1200370) and Algebra 1-B (1200380) together equal 1.0 credit. Separately, each equals 0.5 credits.

### **GSV:**

- o Student's Best Vocational Program includes courses in the same vocational program that resulted in the best GPA calculation.
- o A student's Final Evaluation Report will be determined based upon meeting the GSV requirements and having the noted indicators of Diploma Type Standard, and a valid Graduation Date.
- o Algebra 1-A (1200370) and Algebra 1-B (1200380) together equals 2.0 credits. Separately, each equals 1.0 credits.

Students must submit a Florida Financial Aid Application (FFAA) after October 1 of their senior year and before August 31 in order to be evaluated for an award.

Q~Why doesn't the BF GPA match the Grad Check GPA?

Q~Why isn't my latest ACT or SAT score listed?

Q~Why are my year long classes or those taken through credit retrieval missing?

Q~Why aren't all my volunteer hours listed on my report?

# COLLEGE TESTING

## ACT

measures English, math, reading, and science. Each section is scored on a scale of 1-36 and then averaged for a composite score. There is also a writing section scored from 2-12. The writing is not required but if you are applying to competitive Universities, it should be taken at least once. **Changes coming in the spring!**

## SAT

measures reading/writing and math. Each section is scored 200-800 for a composite score of 400-1600. **This test is now digital.**

## CLT

Contains 3 sections: Verbal Reasoning, Grammar & Writing, and Quantitative Reasoning. This test is 2 hours long and **can be taken at home remotely proctored.**

These scores can be sent to colleges, NCAA, etc. Take advantage of this!

**The Talented Twenty Program:** The Talented Twenty Program is Part of the Governor's Equity in Education Plan. The purpose is to guarantee admission to students who succeed in their respective K-12 public schools and to encourage students to strive for better grades and a rigorous curriculum. The Florida Department of Education and Florida Board of Governors has created a Frequently Asked Questions document to assist public school counselors with navigating the process. Please visit [www.fldoe.org/schools/family-community/activities-programs/talented-twenty-program/](http://www.fldoe.org/schools/family-community/activities-programs/talented-twenty-program/) for details and step-by-step instructions.

**Florida Student Scholarship and Grant Programs:** Students must submit a completed Florida Financial Aid Application (FFAA) to the Office of Student Financial Assistance for programs such as the Florida Bright Futures Scholarship Program, Jose Marti and Scholarships for Children and Spouses of Deceased or Disabled Veterans. Please visit [www.floridastudentfinancialaid.org](http://www.floridastudentfinancialaid.org).

# HOW TO APPLY

## The Step-by-Step Guide to Applying to College

1. Start the College Application Process.
2. Fill Out the Common App or apply directly to College/University.
  - Create Common App account
3. Write a Standout College Essay/Personal Statement.
4. Ask for Recommendation Letters (**only required for certain schools**).
5. Complete the FAFSA.
6. Learn the Ins and Outs of Financial Aid.
7. Decipher College Tuition Costs.
8. Find Scholarships to Pay for College

\*Please be patient when adding your guidance counselor to your account. The process for Mrs. McElroy is VERY time consuming and she has to go to multiple places to upload information for each student. Trust her process.

# Communication

- ✓ Professional email address
- ✓ Check regularly
- ✓ No text talk

# GET PREPARED NOW

Use personal email for anything you will need access to after graduation and read emails regularly.

Visit colleges throughout the fall.

Communicate professionally (email address, proper grammar etc.)

Keep a calendar of important dates and plans.

Come to consensus about college via clear communication

SENIORITIS IS REAL- plan ahead

# GET PREPARED NOW

## Practice Building Independence

- Seniors should begin or continue making their own **appointments**
- **Build financial literacy**-Open bank accounts and manage finances
- Set up a **schedule** for meeting shared goals: ie work on college admissions or filling out a certain number of scholarships each week
- **Balance** work/personal/school life
- Work on shifting responsibilities with **less “reminders”** and hold them accountable.
- Work on **time management**. Consider apps, calendars, working backwards to calendar what’s important and “check in” but don’t take over.
- Build **health wellness** (diet, exercise, sleep...consider apps to help)

\*If, as parents, you are doing all the work now, it is unreasonable to expect your children to be able to handle their business independently after high school. You should begin practicing with support now to build confidence and increase the odds of success when they leave the home.

# Florida Ready To Work

FLORIDA  
2030 GOAL:

**80%**

of working  
adults have  
employability  
skills by 2030

**92% of Florida employers plan to hire, yet 81% say lack of key employability skills is a threat to their business.**

**Seniors in CCR will be working on earning state credentials in 3 areas:**

- **Soft Skills**
