Notes:

Course Registration Acknowledgment

By registering my child at P.K. Yonge, I acknowledge that this is a **school of choice** and a Developmental Research School with a mission to design, test, and share best practices in education. I understand that the coursework and course sequences at P.K. Yonge may differ from traditional schools and are designed to support this mission.

I understand that my child's academic program includes multiple requirements:

- **Florida graduation requirements.**
- **P.K. Yonge program requirements.**
- **Program-specific requirements** for certain courses:
 - **Virtual School:** A separate agreement is required;
 - **Dual Enrollment:** A separate agreement is required;
 - **Advanced Placement (AP) Courses:** Students must remain enrolled and take the AP exam. Families **will** be charged the exam fee if a student withdraws, drops, or does not sit for the exam.

I understand that timelines for registration, drop/add, and schedule changes must be followed, and that not meeting program-specific requirements may affect my child's courses or credits.

I also understand that the P.K. Yonge program is designed to support eligibility for the Florida Bright Futures Scholarship, but that eligibility is determined by the State of Florida and is not guaranteed.

By signing this registration form, I agree to support my child in following the coursework and program requirements at P.K. Yonge.
